Michigan Tour Group To Have Tea With Queen

LANSING (AP)—The general itinerary of the all-Michigan delegation's business trip to Europe April 22-May 1, including tea with a queen, was announced Monday.

Gov. George Romney, 50 Michigan businessmen, top state officials and representatives of various news media will be making the trip. Joining the governor in the state government group will be the majority and minority leaders of the House and Senate.

The businessmen will be seeking new markets for their products, possible sites for locating branch or subsidiary plants and opportunities and joint manufacturing ventures or licensing agreements.

The party will spend two days in Amsterdam, The Netherlands, where Romney and several group leaders will have tea with Queen Juliana.

They then will participate in the annual Dutch Tulip Festival and from there go to the Hanover Fair, German trade exhibit, where a "Michigan Day" will honor the visitors.

Romney and his party will spend some time in Milan and Paris while other businessmen will split into groups to visit other cities according to their various interests.

Sunday Liquor Lacks Support

LANSING (AP) — The Senate sent the Sunday liquor bill back to committee Monday night when its sponsors announced they were two votes short of a majority.

In a bitter speech recommending the recommital, Sen. Stanley Rozycki, R - Detroit, blamed derailment of the bill on "self - annointed leaders with the self - proclaimed mission to keep the state in stagnation."

He credited temperance and church organizations with a "pressure campaign of stereotyped letters" and said the "people who oppose this bill don't want the people to decide the issue for themselves."

The bill would allow a local option vote on whether liquor for barroom consumption could be sold from 4 p.m. to midnight on Sunday. An initiative petition would be required for a local vote to be held.

Principal support for the bill came from Detroit, which hopes to build its tourist and convention business.

Governor Brown's Daughter Elopes

SACRAMENTO, Calif. (AP) — California Gov. Edmund G. Brown thought his daughter, Kathleen, 19, was skiing while he studied the Sierra ski slopes last weekend with Nevada Gov. Grant Sawyer.

Instead, he announced Monday, his daughter had eloped to Carson City, Nev., to marry George Arthur Rice III, 20, a friend since junior high school days. Both are Stanford University students. Brown joined the couple after the ceremony and toasted their happiness.

Weather

By The Associated Press

Upper Peninsula — Cloudy and colder this afternoon and tonight with light snow or snow flurries this afternoon and over the east and north portions tonight. Wednesday partly cloudy. Lows tonight 6 to 12. Highs Wednesday in the 20s.

Lower Michigan — Cloudy and a little colder with light snow or snow flurries this afternoon and tonight. Wednesday partly cloudy with some snow flurries in the east, especially in the morning. Lows tonight 10 to 20 north and in the 20s south. Highs Wednesday 28 to 35.

The sun sets today at 6:46 p. m., and rises Wednesday at 7:11 a. m.

Johnson Holds Up His Trip To Latin America

WASHINGTON (AP) — President Johnson has sidetracked any consideration of a visit this spring to Latin America "because of international conditions."

White House press secretary George E. Reedy made this known Monday and said Johnson had been spending about three-fourths of his time on foreign affairs lately.

The principal problem now is Viet Nam.

Diplomats consider that all of Johnson's travel plans for this year are in doubt, if not actually suspended.

In this State of the Union message Jan. 4, Johnson said he hoped to go to Latin America and visit Europe during the year. Subsequently the President said he also hoped to visit the Soviet Union.

Reedy answered in the affirmative when asked whether it was fair to say that Johnson still hopes to visit Europe and the Soviet Union.

As for the journey to Latin America, Reedy said Johnson, "of course, hopes to make the trip" at some time.

Latin-American diplomats in Washington said they found it reasonable that the President might wish to stay home at this time.

But they also pointed out that diplomatic problems in Latin America might have been an additional factor in delaying plans for a trip there.

Germans Called Liars By Nasser

CAIRO (AP) — President Gamal Abdel Nasser hurled epithets at West Germany as representatives of the Arab nations gathered in Cairo today to discuss united action against the Bonn government for offering to establish diplomatic relations with Israel.

Accusing Chancellor Ludwig Erhard's regime of "betrayal, treason and treachery," Nasser told a cheering crowd Monday that West Germany is "a dependent country and a tool in the hands of imperialists."

"I have never seen people so insolent in my life," Nasser declared. "They say Nasser is paving the way for communism, they, the world's worst imperialists. They deceive the people. They are liars. They said they were not giving arms to Israel but all the time they were. They have no honor, no conscience."

Nasser called for strengthening of Egypt's armed forces and a combined Arab military front against Israel.

"It is not logical that 2 million Jews should be equivalent to 100 million Arabs . . ." he said.

"None of the Arab states should enter a war with Israel alone. If we did, we would only suffer another defeat. We have to learn from our 1948 setback. And we must remember we will not enter Palestine on paths strewn with roses or spread with a red carpet but on ground soaked in blood."

The 13-nation Arab League was called into urgent session today to discuss the West German action. Cairo's government-controlled press reminded the other Arab nations that they had agreed at a conference last September to break with Bonn if it established full relations with Israel.

Previous Arab agreements for unified action usually have not been carried out.

West Germany's offer to Israel was considered a reply to Nasser's red-carpet reception for East German President Walter Ulbricht earlier this month, even though Bonn said the offer "was not directed against any Arabic state."

Israeli satisfaction with Erhard's offer was lessened by his decision to stop the shipment of $16 million worth of arms to Israel last month in a futile effort to appease Nasser.

Cardinal Better; Thanks Those Who Prayed For Him

BOSTON (AP) — Richard Cardinal Cushing, 69, who underwent surgery Feb. 20 for removal of an intestinal growth known as polyps, has thanked those who prayed for him.

The Roman Catholic archbishop of Boston said in a statement from his hospital room Monday he is "grateful beyond words to my countless friends . . . who have stormed heaven in my behalf during the past two weeks."

Doctors said he is "steadily regaining his physical strength." The cardinal said, however, "I know it will be some time before I am well and strong enough to resume my duties."

Date Proposed For Time Change

WASHINGTON (AP) — A bill has been introduced in the Senate which would standardize the changeover to and from Daylight Saving Time throughout the country.

Its sponsors, Sens. Gale McGee, D-Wyo., and Norris Cotton, R-N.H., said daylight time is used in 31 states with a variety of effective dates.

They said their bill would not impose or deny daylight time on any state, but would require that it start on the last Sunday of April and end on the last Sunday in October.

Talks On Steel Wages Resumed

PITTSBURGH (AP) — Labor negotiations in the basic steel industry resume today in an atmosphere of drama heightened by a May 1 strike date.

The United Steelworkers Union, still torn by an internal leadership struggle that forced a two-month recess in the talks, has three times refused to extend the deadline.

That leaves only 53 days for the union to reach agreement with 11 major steel producers on contract demands, including such issues as "dignity on the job" and total job security.

The union says the 53 days provide plenty of time.

Some 150 union negotiators met Monday for last-minute instructions from President David J. McDonald.

Later, McDonald declined to make a statement.

Prime Minister Of India Plans Visit To U.S.A.

NEW DELHI (AP) — Prime Minister Lal Bahadur Shastri announced today he will visit the Soviet Union beginning May 12 and the United States early in June.

In Washington, the White House announced simultaneously the prime minister will be in the American capital June 2-3 and then will spend "several days" visiting other parts of the United States.

It will be Shastri's first visit to the United States. He became prime minister last spring after the death of Prime Minister Nehru. Members of parliament cheered when he announced his trip to Washington.

Ministers Join In Fight For Voting Rights

SELMA, Ala. (AP)—An estimated 500 heavily armed state troopers rolled into this racial battleground today in advance of another scheduled right-to-vote march by Negroes.

They were still under orders to stop the Negro march.

While awaiting action by the Negroes, the troopers stood by at a National Guard armory on the western edge of Selma. It was the greatest force of the club - carrying troopers since Gov. George C. Wallace's stand in the doorway at the University of Alabama in 1963 in a futile effort to block desegregation there.

One source said that the huge force of troopers poured into Selma were under new orders from Wallace to refrain from beating the Negroes—an action which turned Sunday's march into an orgy of club swinging and tear gas firing.

Hundreds of ministers from throughout the nation were arriving to join the Negro march.

Bishop Shocked

The first group of ministers arrived in Selma Monday night. Included among the 40 were Roman Catholic, Jewish and Protestant clergymen.

Bishop John Wesley Lord, the Methodist bishop from Washington, D.C., told about 900 Negroes that jammed Browns Chapel A.M.E. Church he was "shocked, dismayed and very

U.S. Fleet May Cut Loose Against Viet Nam Reds

WASHINGTON (AP) — U.S. officials are mulling over whether to turn loose the powerful 7th Fleet to try and cut off the movement of boats, laden with arm arms and men, from Communist North Viet Nam to guerrilla-controlled points on South Viet Nam's coast.

The Pentagon also is in a mood to give the Far Eastern naval force added punch by increasing its present group of three aircraft carriers on station in the South China Sea area.

Both actions apparently will depend on recommendations from Adm. U.S. Grant Sharpe Jr., the top U.S. commander in the vast Pacific theater.

The 7th Fleet has 125 warships and 650 planes.

The U.S. Navy has not been intercepting Communist junks and cargo boats which have been hauling war equipment and men down the Vietnamese coast and landing them in guerilla-held areas. And South Viet Nam's fleet of 556 armed junks has been unable to cope with the vessels that ply the coastal waters. Over-all, about 72,000 junks operate in the South China Sea off North and South Viet Nam.

The State Department's white paper of Feb. 27 said a North Vietnamese "maritime infiltration group" is sending men and weapons southward in increasing volume.

The objective in gradually stepping up U.S. military activity has been to "signal" the other side that it had better desist before it is punished heavily by U.S. armed might.

However, reports indicate the Communists have not begun to slow down their aggression in South Viet Nam.

Romney Praises Head Of State Labor Affairs

LANSING (AP)—Gov. George Romney Monday expresssed confidence in Roy Johns, his Republican appointee as State Labor Commissioner who has been under attack and criticism by a Democratic legislator.

Rep. Robert Dingwell, D-Lansing, a former state AFL-CIO employe, introduced a resolution in the House asking for an investigation of the Labor Department. He also charged that Johns was not doing enough to halt "a soaring industrial injury rate."

Romney replied that during seven years of budget appproprations under two former Democratic governors, the department was given a budget increase of only 13 per cent. Under his administration, Romney said, budget recommendations for the department have gone gone up more than 44 per cent.

In Sad Condition

"Commissioner Johns," Romney wrote Dingwell, "in the past 18 months has done a remarkable job in reorganiding this agency, increasing its efficiency and providing better services and regulations."

Romney said he had asked a complete report on department activities and enclosed a copy for Dingwell.

Johns reported to Romney that he had "a monumental task" in trying to restore the Department of Labor "into an agency of accomplishment, efficiency and respect."

"The sad condition of the administration of this department when I took office was almost unbelievable, and although a nearly impossible assignment, I believed that changes could be made to restore it as an agency with direction," Johns said.

Johns said his actions during the past year included reorganizing the department, hiring a professional engineer trained in industrial safety, abolishing the statistics division, requesting additional staff and operating funds in the 1965-66 budget, conducting a training program for inspectors and requiring not only more but better factory inspections.

Charges Answered

Johns answered, one by one, some of the charges made by Dingwell, as follows:

Dingwell charge — Although there are more than 16,000 factories in the state and only about 6,000 are being inspected each year, Johns asked for only 12 more inspectors.

Johns answer—"We feel that

Green Viet Cong Troops Beaten

SAIGON, South Viet Nam (AP) — Some 800 Viet Cong recruits, direct from North Viet Nam and all armed with fine weapons, smashed confidently at the mountain outpost of Kannak early Monday and got one of the worst beatings Communist forces in the area have had in months.

Government officers claimed at least 100 of the enemy were killed. This newsman counted 76 Viet Cong bodies today around the hilly perimeter of the camp, and there probably were many more.

The Communist troops fought hard, overrunning two smaller outposts a few hundred yards away. They had some of the best infantry weapons made by Communist China, including recoilless cannon and the new Chinese armor-piercing rocket launcher.

But the Viet Cong troops were green, and they were facing some of the toughest veterans in Viet Nam.

Most of the enemy dead appeared to have been in their late teens or early twenties.

Twenty - two bodies were strewn close together in a patch of open ground in front of a government machine-gun bunker that cut them all down.

Inside were about 400 irregular mountain troops, their families and nine American Special Forces men.

As the men fought, their women reloaded ammunition magazines, unpacked and passed mortar shells and dressed wounds.

Kannak is a key post astride strategic Mang Yang Pass 260 miles northeast of Saigon.

Thirty-three of the defenders were killed along with at least 10 members of their families. Thirty other defenders and three of the Americans were wounded.

An arsenal of Communist weapons was captured. It included recoilless cannon, six new Soviet designed rifles, a Czech machine gun, 40 submachine guns and other weapons.

Meanwhile, the landing of 3,500 Marines at Da Nang air base neared completion. Four more planeloads of Marines were due today from Okinawa.

About 2,500 Marines landed Monday, some in C130 transport planes and others storming ashore from landing craft in heavy surf. They dug in around the base, the prime staging area for air strikes against North Viet Nam and Communist supply routes through Laos.

Arriving with the Marines were several Marine helicopters which flew ashore from a carrier off the coast.

Rockfall Kills 3 Boys In Mine

HARLAN, Ky. (AP) — A sack containing perhaps 50 pounds of coal lay near a body, mute evidence of tragedy that befell three youngsters searching for fuel in an abandoned mine.

The three sons of miners were crushed beneath a 75-ton rockfall Monday.

Miners and pickets, who often patrol this southeastern Kentucky coal field in labor disputes, worked together in a rescue party that dug against the danger of another roof cave-in to remove the bodies.

Dead are Rodney Gross, 17; his brother, George, 12, and their cousin, Tommy Gross, 13.

Ralph Gross, 15, brother of Rodney and George, lagged behind the coal seekers and escaped.

The 15 to 18 rescuers constantly shored the three-foot high mine roof to reach the bodies.

Bob Shoemaker of the Harlan Daily Enterprise said miners attributed the fall to rotten timbers that braced the roof and to effects of freezing and thawing weather.

Draft To Call 91 Physicians

LANSING (AP) — State Selective Service headquarters today reported that local draft boards have been ordered to call up 91 physicians for induction into the armed services in July.

All the physicians ordered for induction will be interns who will complete their training this spring. They will be given the option of accepting a commission in lieu of induction.

Michigan's quota is part of a national call for 950 physicians. The Defense Department said the induction call for doctors is required because not enough 1964 medical school graduates volunteered for active duty following their internship.

The call by counties:

Wayne 41, Oakland 10, Kent 6, Washtenaw 4, Ingham 4, Calhoun 3, Eaton 3, Genesee 3, Jackson 2, Midland 2, Macomb 2, and one each from Alpena, Baraga, Berrien, Branch, Chippewa, Emmmet, Kalamazoo, Mackinac, Marquette, Saginaw and Shiawassee counties.

Today's Chuckle

A nightclub is a place where the tables are reserved but the customers aren't.

Rough Tactics Are Used To Rout Marchers

MONTGOMERY, Ala. (AP) — U. S. District Judge Frank M. Johnson Jr., issued today an order prohibiting Negroes in Selma from marching to Montgomery as had been planned.

In his order, Johnson told civil rights leaders to "refrain from attempting to exercise what they claim to be a constitutional right to march, until the matter can be judically determined at an early hearing."

WASHINGTON (AP) — The White House and the Justice Department gave no indication today on whether there would be federal intervention in Selma, Ala., to protect Negroes demonstrating for the right to vote.

President Johnson was reported keeping closely in touch with the situation in which Atty. Gen. Nicholas Katzenbach had said the government has "a limited authority and a limited capacity to act."

Calls for federal action came from members of Congress and leaders. Intervention also was demanded by a group of pro-civil-rights demonstrators who camped outside Katzenbach's office at the Justice Department late Monday. Police shoved and dragged a score of them from the building when they refused to leave 3½ hours after closing time.

Earlier Katzenbach had told the group of about 20 that he would not be influenced by their demonstration.

"I have responsibilities to fulfill and decisions to make . . . that will not be influenced one way or another just because you're going to sit here all night," he said.

In Alabama, Negroes prepared for a new attempt today to hold a right-to-vote march from Selma to the state capital at Montgomery. State police acting under orders of Gov. George C. Wallace routed the first attempt Sunday.

Two civil rights leaders, Roy E. Wilkins of the National Association for the Advancement of Colored People and James Farmer of the Congress of Racial Equality, called for federal troops or federal marshals to protect the demonstrators.

"OUTRAGE" PROTESTED

LANSING (AP) — Michigan Gov. George Romney and the State Senate sent separate pleas to President Johnson Monday vigorously protesting beatings of Negroes in Selma, Ala.

An even stronger resolution asking that martial law be declared throughout Alabama was under consideration in the State House of Representatives.

Romney telegraphed Johnson protesting "outrageous bludgeoning of American citizens in Selma. . ." He said federal legislation is needed providing federal voter registration "where public officials are obstructing such legislation.

"Our national support of liberty, justice and peace for all is turned into hypocrisy in the eyes of the world by developments such as the Selma outrage," said Romney's message.

The Senate unanimously asked the President "to take immediate action to intervene in Alabama and to carry out and exercise whatever constitutional powers he has to bring about an immediate era of peace to permit the citizens of that state to exercise their constitutional rights. . ."

The resolution said Michigan citizens were "shocked," sickened and shamed" by the Selma beatings.

Embassy Smear Brings Apology

WASHINGTON (AP) — The State Department has apologized formally and promised to pay for damage to the Russian Embassy here, splattered with a black liquid during a Sunday demonstration by anti-Castro Cubans.

Press officer Marshall Wright also told a news conference Monday that "security measures would be taken to prevent any recurrence of such incidents."

MARINES SWARM ashore at Da Nang Bay in South Viet Nam to bolster the defense of the nearby key air base against attack by the Communist Viet Cong. The Marines come from transport ships standing half a mile off the coast. (AP Wirephoto via radio from Saigon)

Gogebic Leading Peninsula Push For Tourists

Fifty resort owners, farmers and other rural landowners, attended the "Opportunity Outdoors" workshop held Friday in Wakefield. They came from Gogebic, Ontonagon and Houghton counties.

"The spirit of optimism regarding opportunities in tourism was notable and some observers credited the enthusiasm to the demonstration by Gogebic County people in the last few years of what can be done with the skiing industry," said Dave Farrand of UPCAP.

Seven of the 50 were already in the tourist business. Most of the other 43 were serious about getting into it. They brought along blueprints of their potential resort areas, farm layout plans, and information on watersheds that could be developed into such things as fishing, hunting, riding or hiking areas. They also stayed after the formal program in the Wakefield Ski Lodge to confer privately with the panelists.

The workshop was arranged by the Upper Peninsula Committee for Area Progress, with assistance from Michigan State University specialists and county Extension directors Andy Bednar of Ironwood, John Moilanen of Ewen and Wallace Kestitalo of Houghton.

MSU Economist Rick Hartwig said that all past predictions for tourist industry growth had been too conservative and that rural recreation is a promising new crop. He warned, however, that there are problems and encouraged the landowners to make a thorough study of income possibilities and the market potentials before investing. Hartwig reported on recreation studies which have been completed in midwest states, and passed out a management bulletin designed to help landowners predict income from investments in the recreation business.

Father Louis Cappo of Ramsay, representing the State Tourist Council and the Upper Michigan Tourist Association, reviewed the importance of the tourist dollar to the Upper Peninsula economy and said there had been much improvement in the attitude of Upper Peninsula people towards tourism.

Grant Wykuis of the Department of Conservation said the typical picnicking family spends an average of $2.75 per day in the community. The camping family that stays in a community overnight spends over $12 a day in the community, he said. Wykuis said that the recreation industry had grown in dollar volume practically everywhere else in the United States except the northern Great Lakes area, indicating that there is much work ahead if the U.P. is to take advantage of the potential in the industry.

John Wernham, Ironwood, supervisor of the Ottawa National Forest, stated that recreation development on private and public lands complement one another and said that neither public nor private lands have been developed to their full potential in the Peninsula. Wernham showed slides on the Sylvania Tract and predicted that the development of the area would have a tremendous effect on the western Upper Peninsula's economy. He said, however, that there is a need for Congress to provide special legislation to insure adequate federal payment in lieu of taxes and full development of the Tract within a reasonable period of time.

Farrand, who arranged the meeting, reviewed the possibilities for developing trout ponds and other fishing areas for guaranteed fishing. Farrard stated that approximately 1,200 trout could be planted per acre of water but that the number could be greater if more oxygen were forced into the water by the use of airators. The trout grow on the average of one inch per month but several management steps can be taken to boost the growth rate, he said. Some operators place light bulbs above a pond to draw a concentration of insects for fish food.

Mrs. Curran, 72, Dies Suddenly

Mrs. Mary Curran, 72, of 212½ N. 12th St., died suddenly as she was being admittted to St. Francis Hospital at 11 a. m. Monday. She was a life long Escanaba area resident.

She was born in Perkins June 18, 1892. Her husband, George, died in 1934. She was a member of St. Patrick's Church.

Surviving are: four sons, Timothy, Robert, John and Wallace, all of Escanaba; three daughters, Mrs. Joseph (Dorothy) Timm, Streator, Ill., Mrs. Louis (Bell) Gamache, Wiesbaden, Germany, Mrs. Dewey (Shirley(Burris, Streator; five sisters, Mrs. Delia Truckey, Gladstone, Mrs. Peter (Angeline, Westerdahl, Bark River; Mrs. Leona Arts, Escanaba; Mrs. Julia Trombley, Perkins; Mrs. Rachael L'Heureux, Escanaba; three brothers, David and Clifford LeDuc, Gladstone, and Napoleon, Michigan City, Ind.; 21 grandchildren and three great grandchildren.

Friends may call at the Allo Funeral Home Wednesday from 3 to 9:30 p. m. Parish prayers will be recited there that evening at 8. Funeral services will be held at St. Patrcik's Church Thursday at 9 a. m. The Rt. Rev. Matrin B. Melican will officiate. Burial will be in Holy Cross Cemetery.

Russell Re-elected Shiras President; Scholarships OK'd

MARQUETTE — Frank J. Russell Jr., publisher of the Escanaba Daily Press, Marquette Mining Journal and Iron Mountain News, was re-elected president of the Shiras Institute Board of Directors and the Board's annual meeting here.

The board also approved of an additional grant of $1,000 for Shiras Institute scholarships at Northern Michigan University to make a total of three $500 Shiras scholarships for the current academic year.

Trustees also rejected a number of fund requests which did not fall within the terms of the trust indenture.

In addition to Russell, other officers of the Shiras Board are: Herman E. Olson, executive vice president of the First National Bank & Trust Co., vice president; George T. Kendricks, attorney in the firm of Baldwin & Kendricks, treasurer, and Robert L. Biolo, managing editor, The Mining Journal, secretary. Allan F. Olson, general manager, Cliffs Dow Chemical Co., is the fifth trustee.

The Shiras Institute has played a prominent role in the development of Shiras Park ("Picnic Rocks" beach), Shiras Pool and many other projects here. It has made grants for various non-profit organizations and municipally-operated programs.

The U. S. automotive market is supplied by 48 tire manufacturers.

Conference Thursday At First Methodist

First Methodist Church will hold its quarterly conference at 7:30 p.m. Thursday under the leadership of the Rev. James R. Balfour, superintendent of all Methodist churches in the Upper Peninsula. A similar conference is scheduled for Wednesday at 7:30 p.m. in the Bark River Methodist Church.

Calling the meeting a quarterly conference stems from the days when four such conferences were held in each Methodist church each year, to make reports and gain direction for the future from the presiding elder. The conferences were often looked upon as the spiritual and social highlights of the year, bringing together people of several churches on a circuit for Christian fellowship and sharing.

The presiding elder both preached and brought stimulating news of the wider church life and ministry to enrich the mind and spirit of his people, sometimes their most vital link with the world beyond the local church.

In its current form, the quarterly conference at this time of year is the equivalent of the annual meeting of other demoninations, when annual reports are given and church officials elected for the coming year. The idea is that the entire congregation share in the joys of reviewing the past year's accomplishments and learn of the needs and opportunities facing the local church. "Because of this, the entire membership is invited and urged to attend," the Rev. J. Bruce Brown, First Methodist's pastor, said in announcing the conference.

A fellowship hour will follow the meeting, with members of the Woman's Society of Christian Service as hostesses.

Gladiolus Club Meets Thursday

The Upper Peninsula of Michigan Gladiolus Society meeting for members and friends will be held at Carpenters Hall, 109 S. 9th St., Thursday, March 11, at 8 p. m. Colored slides will be shown by Mel Oslund of his European trip. Lunch will be served by hostesses, Mrs. Art Anglemier and Mrs. Zeph Arvey.

Farley To Retire At Michigan Bell; Hogg To Succeed

John L. Farley, Upper Peninsula District commercial supervisor for Michigan Bell Telephone Co. since 1953, will retire April 30 after a 36-year career.

He will be succeeded by Kenneth S. Hogg Jr., Central Division commercial supervisor at Saginaw.

Farley, a native of Washington, D. C. and a former government employe after his soldiering years during World War I, came to the U. P. in 1925. He married the former Myrtle Bruce at Menominee.

After three years with the Lloyd Manufacturing Co. and Lloyd's Store, Farley joined Michigan Bell in 1928 as a commercial agent. In 1931, he was promoted to division commercial supervisor, a position he held until 1953 when he was named district manager.

He moved to Marquette in 1963 when the district offices were consolidated there.

Graduation Speaker

Long interested in youth, Farley has been a member of the American Legion sponsored Wolverine Boys State Commission for 24 years, eight of which were as president.

He has spoken at commencement exercises throughout the U. P. and has been active in governmental affairs and U. P. organizations. He is executive vice president of the Michigan United Fund and has been a member of the Chamber of Commerce, Marquette Rotary Club, Knights of Columbus and the Telephone Pioneers of America.

The Farleys plan to make their retirement home in Menominee.

The couple has two sons, Frederick, of East Lansing, and John, a Marinette attorney, and egiht grandchildren.

Farley will be honored at a retirement party on March 31 in Marquette.

Naval Captain

Hogg, who began his career in 1933 with the New York Telephone Company, has been with Michigan Bell since 1941. He has been in charge of commercial operations in the Central Division since 1953.

Active in the Naval Reserve, Hogg is a former battalion commander at Saginaw. For the past three years, he has specialized in research on defense against underwater swimmers.

Now a captain in the Naval Reserve, Hogg served in both World War II in the Pacific and during the Korean Conflict.

He is a member of the Saginaw Citizens School Advisory Committee, Saginaw Underwater Explorers, Saginaw Valley Sports Car Club, U. S. Navy Institute, Navy Historical Society and is second vice president of the Riverside Kiwanis Club at Saginaw. He has a small maritime museum as a hobby and belongs to the International Council of Museums.

Hogg and his wife, Mildred, have four children, including sons, Robert and John, in high school. Their oldest son, Kenneth S. III, resides in St. Louis, Mo., and their daughter, Susan, is studying for her doctorate at Yale University.

Kenneth S. Hogg Jr.

Top Salesman Of JA Picked By Toastmasters

The Bay de Noc Toastmasters Club had the privilege to evaluate the top salesmen of the Junior Achievers under the supervision of Dwayne Burak, executive secretary.

The sales personnel participating were Robert Carlson, Judy Christiansen, Barbara Heminger, Charles Londo, Sue Johnson and John Vanderville. The number one salesman as selected by the Toastmasters Club was Sue Johnsen.

This portion of the meeting was conducted by Toastmaster Fred Fisher. Invocation was by Bob Snow, Table Topics by Jerome Deloria. Guests were George McLaughlin, who joined the club after the meeting, John Stoll and Ron Langford.

Toastmaster Art Brien, representing the club at the Area Speech Contest in Marquette recently, won the highest honor as the number one speaker in the area.

Men between 18 and 80 interested in self improvement in public speaking are invited to join the Bay de Noc Toastmasters Club. Further information can be obtained from Sherwood Trotter, educational vice president, Norbert Valind, secretary treasurer or William L. Miller, president.

Dennis Wilbee Heads Fraternity

In annual spring election Kappa Psi Fraternity elected Dennis V. Wilbee president. He is the son of Mr. and Mrs. R. V. Wilbee, 401 S. 13th St., a fourth year student in the School of Pharmacy at Ferris State College, Big Rapids, Mich.

Kappa Psi is the largest pharmacy fraternity at Ferris, and is also the largest and oldest pharmacy fraternity in the United States. Other area members are Ed Hengesh, Escanaba; and Tom Finlan, Gladstone.

Police Link U.P. School Robberies

The bandits who broke into the vault at Escanaba Area High School a month ago may have struck again.

Three more school robberies —one each in Menominee, Dickinson and Iron Counties— were reported to Upper Peninsula law enforcement agencies last week. Police believe the robberies are connected.

"There's a good possibility that the same people are involved," said Chief Harold Finman of the Escanaba police department. "It looks very much like that's the case."

Entered either Thursday night or Friday morning last week were Carney High School in Menominee County, the Quinnesec School of the Brietung Township system in Dickinson County and Bates School of Iron County.

Crack Vaults

The Bates School case matches that at Escanaba almost identically, except for method of entry, according to police reports. In each case the bandits smashed through walls (brick at Escanaba and concrete block at Bates) into the school vault.

Iron County sheriff's officers reported the thieves broke a window to gain entrance to the school then forced open the door to superintendent's office to gain access to the vault wall.

Deputies said the vault had been ransacked, but school officials said less than $10 was taken. Overlooked in a filing cabinet was about $100 in hot lunch and book funds money.

At Escanaba, about $80 was overlooked in the robbery, which netted about $267 on Feb. 5.

Take $315

In the breaking and entering at Carney, police said the thieves made off with $315 from the superintendent's office, principal's office ond secretary's office. Entry was gained through a fire escape door, officers said.

The Quinnesec school was entered by breaking a window in the principal's office, police said. Missing was a small amount of food stored for use in the hot lunch program and a small amount of money.

Directs Fund

UNITED NATIONS, N.Y. (AP) — Henry R. Labouisse, 51, American ambassador to Greece since 1962, has been appointed executive director of the United Nations Children's Fund. He succeeds Maurice Pate, who died Jan. 19.

Tax Forgiveness

Tax Forgiveness is blooming in Lansing.

The Democrats want to give tax relief to senior citizens right away, before they make any appropriations they want to cut taxes. This may be wretched economics, but the Democrats think it is good politics.

Even Governor Romney supports the Democrats' call for repeal of the so called "lien provisions" of state aid to needy older citizens. In the past 15 years the number of Michigan residents past 65 years of age has grown from 462,000 to 700,000 and most of them vote. But the current Democratic push in the Legislature is to cut the taxes on oldsters homesteads, not end the lien law.

The new Michigan Constitution requires that both houses act on general appropriation bills for the next year before acting on appropriations for any new purposes. The intent of the clause was to make legislators authorize the money needed to run existing state government before suggesting new ways to spend money. It was hoped such a discipline would end the end-of-the-session jams that make hasty action so necessary that examination and debate are precluded.

* * *

But the Democratic-controlled Legislature has killed Governor Romney's budget bills, saying that they'll draft their own tax reform program and then compare their program with the Governor's and get something bipartisan.

Senator Raymond Dzendzel, the majority leader said that the junking of Romney's budget was "no slap at the Governor — it's so we can begin operating this session."

The Democrats like to make George Romney look bad but they pick up a bit of tarnish themselves with this action. Their insistence on voting senior citizens tax relief which may cost the state $11 million a year in tax losses (reimbursed to local governments) should logically follow action providing for the inescapable tax needs of the state. Then the Legislature could tote up income and outgo and attend its reforms.

* * *

The Democrats are taking care of their fall campaign promises in a hurry, but not in a way that should impress the public. They are like the bad servant in the Bible who compromised his master's debts.

The tax forgiveness gimmick should fool no one. There can't be any tax forgiveness. It is just a transfer of the tax to some other group. The elderly are becoming a potent political force and they can thus present more forcefully their very real problems. They should know that although their taxes may be cut, and probably should be, the government cannot operate on less and the loss must be made up elsewhere.

The logical victims are their children, still in their productive years, but now it's agreed all around that the children should be able to inherit the unencumbered homesteads of their parents who have been cared for by the state.

* * *

An income tax would help unsnarl the property tax problem somewhat and the Democrats and Republicans are now sparring to see who could be tagged with its authorship. But Senator George Fitzgerald, an attorney and the Democrats' tax writing chief, says he doesn't think that Michigan can reform its taxes equitably under its new constitution.

He says it doesn't permit different rates for individuals, corporations and financial institutions, as proposed by Governor Romney in his 1963 tax reform package, which the Legislature rejected. Fitzgerald expressed doubt that a state income tax with exemptions (like the federal tax) could survive a court challenge.

Some Republicans say the constitutional stymie is another left hander aimed at Romney, who was a vice chairman of the Constitutional Convention that wrote the document. All our troubles aren't in Viet Nam.

Bark River Vote

Bark River-Harris School District will vote Friday, March 12 from 7 a.m. to 8 p.m. on a proposal that its special tax for school operation be renewed. The tax is 3.5 mills. Voters are asked to keep this tax for three more years.

Supt. Richard Hendra says that the millage is an important part of the current budget of the district and vital to its operation. It is not only important in its own right, but it makes the school district eligible for state school aids which are its chief single source of income.

* * *

Voters of the district have been friends of education The election on Friday is another test of their friendship. The area has seen a great change in the farming which has been its chief source of income and this is unsettling, but schooling must not only go on—it must be expanded. Happily this has been understood in the Bark River-Harris District.

There is no prospect that by some sort of economizing the school district can reduce its costs. The strong prospect is that the costs will increase as the demands upon the schools to turn out better equipped young people increase.

It is part of the revolutionary change underway in America and not a plot against people's pocketbooks.

* * *

The voter on Friday is left without any acceptable reason for voting No. If the millage were to be defeated the district would have to try again because the income is vital to its operation. Obviously it is a sacrifice for some persons, but they couldn't make one in a better cause than the public schooling of the young. This is adult America's finest gift to tomorrow.

It Happened On This Date

By The Associated Press

Today is Tuesday, March 9, the 68th day of 1965. There are 297 days left in the year.

Today's highlight in history:

On this date in 1862, the first Civil War battle between ironclads was fought in Hampton Roads, Va. The U.S. Navy's Monitor defeated the Confederacy's armored Virginia.

On this date

In 1796, Napoleon Bonaparte married Josephine.

In 1918, American forces knocked out more than a mile of German trenches on the Lorraine front.

In 1933, Congress gave President Franklin D. Roosevelt almost unlimited power over transactions in credit, currency, gold and silver.

In 1942, the Japanese completed their conquest of Java.

In 1945, 300 B29s bombed Tokyo.

Ten years ago—British Foreign Secretary Anthony Eden called for withdrawal of Chinese Nationalist forces from Quemoy and Matsu islands.

Five years ago—Secretary of State Christian Herter disclosed that President Dwight D. Eisenhower had ruled out high flights over the air corridor to Berlin which earlier had been forbidden by the Russians.

One year ago — The Senate opened debate on whether to take up civil rights legislation.

"All Together, 'Amen'"

The Doctor Says:

Q — My doctor says I have a slight clouding of the retina of my eyes. What does this mean?

A — Clouding of the retina is a manifestation of retinitis.

Inflammatory disease of the retina may be due to nephritis, diabetes, syphilis, leukemia, anemia, hardening of the arteries, chronic sinusitis or exposure to very bright lights.

Regardless of the cause, your eyes should be protected from light by the use of smoked glasses and eye drops that cause the pupils to contract.

If the underlying cause is found and treated, the progress of the retinitis can be checked and improvement can be expected, but retinitis must always be taken seriously.

Q — Would alcoholic drinks cause blindness in an 84-year-old main with retinitisk

A — Alcohol in moderation would not have an adverse effect on retinitis, unless it was wood alcohol. Prolonged abuse of alcohol can cause inflamation in the peripheral nerves and this might include the retina. On the other hand, retinitis can cause blindness in a teetotaler.

Q — I am 50, and have been told that I have macular degeneration of my left eye, which has had poor circulation for about a year.

The sight of my right eye is completely gone. Treatment has been of no avail.

What caused this? Is there any hope of getting my sight back?

A — Degeneration of the macula, the point of central vision in the retina, may occur as a result of an injury to the eye or as an accompaniment of advanced age.

Some persons show signs of aging much earlier than others.

Once this portion of the retina is destroyed, there is no way to replace it.

Q — How much less effective is penicillin taken by mouth than when injected in the hip?

A — This varies with the degree of susceptibility of the infecting bacteria and the type of penicillin used.

In general, the amount given by mouth in 24 hours must be three to six times as much as is needed when the drug is injected.

Q — I am a housewife, 29. For two years my fingers have been getting white and numb; then, after several minutes, the natural color returns but they are painful. This happens mostly in cold weather. What causes this?

A — This is a good description of Raynaud's disease. Attacks may be caused by exposure to cold or emotional stress. The pallor is due to a spasm in the small arteries of your fingers.

Reserpine or any of the derivatives of Rauwolfia may help to dilate these arteries and give you some relief. Some victims are helped by taking vitamin B-6.

When these measures fail and the condition is severe, cutting the sympathetic nerve roots that supply the hands should give relief.

What My Faith Means To Me

By GEORGE E. SEALANDER
First Presbyterian Church

My faith in Christ is the greatest possession I have. This faith gives me the purpose for my life and the moral code by which to live.

It is a very comforting faith, because at all times I know I have a personal Saviour to guide me, in making the everyday decisions, which affect my life and family.

In these days of conflict throughout the world, it is reassuring to know that God does have a definite plan, as to what will happen in the future.

George E. Sealander

BARBS

In a recent survey, husbands were asked how their wives could be improved. "By losing weight" said 30 per cent. That's a pretty fat percentage.

* * *

Violent controversy over the language issue threatens India's unity. It's just too upsetting for words.

* * *

Whenever you run into one of those compulsive talkers who bends your ear for an hour, be charitable. The poor dope probably doesn't dare open his mouth at home.

* * *

The Shasta daisy is being urged as our national flower. Presumably our motto would then change to "Upsidaisy".

Timely Quotes

I have always sought for uinty, and I do now.—Barry Goldwater.

* * *

I believe that if we had less government, we would have more enterprise, but we are confronted with a condition and not a theory.—Lammot du Pont Copeland, president of E. I. du Pont de Nemours and Company.

* * *

It doesn't matter whether you're called a conservative or a liberal. If you talk their language, you solve their problems, you give them hope, you can win elections.—Mass. Atty. Gen. Edward W. Brooke, speaking of the Negro vote.

Murder Avenged

By RAY CROMLEY

WASHINGTON — (NEA) — There's a sequel to the story of Master Sgt. Dennis C. Kidd, of North Carolina, murdered by the Viet Cong near Soc Ba-Tu in South Viet Nam.

Sgt. Kidd was a Special Forces veteran who went out each afternoon in his spare time to work with the farmers in three hamlets a jeep's ride from his unit.

He was helping clear land, bringing in pigs, ducks and chickens, growing lettuce, carrots and tomatoes to aid the villagers improve their lot. The people considered him one of their own.

But this cluster of hamlets was in Viet Cong territory. It was used by the Reds as a way station. So one afternoon the Communists ambushed the sergeant while he was on his way out to his "farm." He died on the spot.

A few nights later a messenger arrived at Sgt. Kidd's old unit. His words were simple: "Arrangements have been made to avenge the sergeant's death." That's all any American heard for a time.

Things continued as usual. The Viet Cong would come to the three hamlets, be housed and fed by the villagers. They'd drink a little together.

* *

Gradually, the hamlet hosts increased their entertainment for the Red guests. There was more toasting, more drinking, more singing and more talking. This conviviality began to last into the nights.

Encouraged by the villagers, the Viet Cong began to boast a little. It wasn't long before the farmer hosts learned that Sgt. Kidd had been killed by a group of five Viet Cong. It didn't take much more entertaining to learn their names. They were men who came through the hamlets from time to time.

Then the night came when all five were in the hamlets at once. The drinking of rice wine began as usual, quietly at first. Then the villagers drew the five marked Viet Cong assassins aside for special partying away from the main group. Several women of the hamlets entertained them late into the night.

The five became very drunk and fell asleep. The women took out knives. The next morning the five were found dead.

Word was sent to the headquarters of Sgt. Kidd's old unit. "The sergeant is avenged. The honor of the hamlets has been restored." That was all. The rest came out later.

* * *

The Viet Cong no longer use the three hamlets as a way station. It is said the Reds avoid the area "like the plague."

The people of the hamlets have been trying to carry out Sgt. Kidd's program the way he dreamed it. No troops are needed to defend them. Communism doesn't stand a chance.

WITCHCRAFT

In Colonial America, 19 persons were hanged for witchcraft, but more than 250 were arrested on such charges. The last hanging for witchcraft occurred on Sept. 22, 1692.

SYLVANIA TAXES

Congressman Raymond Clevenger (D-Sault Ste. Marie) writes the Escanaba Daily Press about its report on the proposal of the U.S. Forest Service to acquire the 18,000 acre Sylvania Tract in Gogebic County to add to the Ottawa National Forest, with a resulting loss of $30,000 a year in local government and school taxes:

The problem you raise relative to removing this land from the tax roll is one of deep concern to all of us.

The Department of Agriculture, in its report on the Sylvania Tract, proposes three possibilities for dealing with anticipated tax loss.

One would be payments by the government in lieu of taxes made on a declining basis. It has been suggested that this would follow a formula based on average taxes on the property for the last two years before a federal act was issued, reduced by one-fifth every two years until payments ceased at the end of ten years.

A second possibility, which has been authorized by Congress in recent legislation, would be for a fixed lump sum payment in lieu of taxes to be made in ten equal annual installments.

A third approach is a combination of the fixed and declining payments. In the case of Grand Teton National Park, payments were authorized as follows: (a) for ten years following acquisition a sum equal to the full annual taxes last assessed thereon, (b) for each succeeding fiscal year for 20 years, a sum equal to such full amount less 5 per cent. At the end of 30 years all transition payments ceased.

I am sure that one of these three methods ought to be used in the transfer of the Sylvania property. Which of the three is the best proposal, I believe, remains to be worked out by everyone concerned.

Raymond F. Clevenger
Congressman

STUDY YOUTH PROBLEMS

SYDNEY (AP)—One of Australia's best known judges, Judge Adrian Curlewis, will visit Russia privately for three weeks next year to study the country's youth problems. Judge Curlewis, who is chairman of the National Fitness Council, told the New South Wales division of the council that the Russian government had invited him to make the trip. He said he hoped to visit Russian courts as well as youth and sporting organizations.

Ann Landers

Fire The Girl Who Can't Spell

Dear Ann Landers: In September I hired the daughter of a close friend to do secretarial work.

The girl can't spell, and she has never heard of the comma. She's a poor typist and can't handle the telephone properly. She came in late three mornings last week and took double lunch hours.

This young lady's father has done me many favors and I value his friendship. I'm sure he would be unhappy if I fired her. He believes she is brilliant and has told me repeatedly that she loves her job. Please answer in the paper. The dumbbell opens my mail. —IN A SPOT

Dear Spot: You are paying a girl who can't spell, type or handle the phone; a girl who comes in late and takes double lunch hours—and you call her a dumbbell?

Give this darb her walking papers and find your next secretary through a classified ad in this newspaper.

A friendship that hinges on keeping an incompetent relative isn't worth worrying about.

* * *

Dear Ann Landers: Recently I saw your picture in the paper. You were wearing a cap and gown and receiving an honorary degree from Morningside College in Iowa. You look like a college senior.

Several months ago my mother and I had an argument over you. She didn't believe me when I told her I had read somewhere you had had your face lifted. I showed her that picture and she said, "Maybe it's true."

Do you have the nerve to print this letter and your answer?—ALEXANDRIA

Dear Alex: The camera can be a woman's best friend or her worst enemy. Angles, lighting, shadows, (not to mention retouching) can add or subtract 20 years. The Associated Press and the United Press International cameras were especially kind to me on that memorable day.

Face-lifting is fine for those who, for professional or purely personal reasons, feel that a youthful appearance is absolutely essential. I don't—and when my face falls, I'm going to let it lie there.

* * *

Dear Ann Landers: I am a divorced woman going with a wonderful man who lost his wife five years ago.

Mr. Marvelous wants me to marry him, but one thing is holding me back. He is critical of my children. Debbie is 5 and Randy is 7. They are energetic and high-spirited.

I insist that the children be included in evening activities, particularly cultural ones. In my opinion it is more important for children to see an opera than to be in bed by 7:00 p m. I believe, too, that children should be taken to poetry readings and lectures so they can learn how to conduct themselves in public.

Mr. Marvelous does not agree. He becomes upset when Debbie and Randy misbehave or become restless.

I love this man and the children adore him in spite of his strict attitudes, but I'm afraid he will be too hard on them. Please advise.—V. Q. Z.

Dear V. Q. Z.: If you are smart you'll grab Mr Marvelous—he sounds too good to be true. Furthermre his ideas are far more sensible than yours.

Five and seven-year-olds don't belong out at night—whether it be opera, adult lectures or poetry readings. All youngsters often misbehave because they are tired and bored. Marry this man and accept his help. Your children need it.

* * *

"The Bride's Guide," ANN LANDERS' booklet, gives authoritative and complete information on how to plan a wedding. To receive your copy of this comprehensive guide, write to Ann Landers, in care of this newspaper, enclosing a long, self-addressed, stamped envelope and 35c in coin.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped and self-addressed envelope.

Barron Heads Hospital Board

Robert E. Barron was elected president of the Lay Advisory Board of St. Francis Hospital. He has been the acting president of the Board since the resignation of Leslie Bryant, who left the area in May of 1964.

Gale Wescott was elected vice president, and Raymond LaPorte was elected secretary.

The other members of the St Francis Hospital Lay Advisory Board are M. F. Bouchet, Howard Fontaine, A. W. Freeman, L. J. Gregory, J. T. Jones, N. J. Reynolds and Stack Smith.

The Lay Advisory Board meets monthly with the hospital administration. The hospital is indebted to the members of the Board who volunteer many hours of meeting time in assisting the administration with its problems, current projects, and future planning.

BADGES WERE presented at a meeting of Troop 18, Girl Scouts of America, recently with (front) Mrs. Don P. Moreau, assistant leader of Troop 18, pinning the Sign of the Arrow badge on her daughter, Linda. Pictured (left to right) are Donna Gerou, Theresa LaMarch, Sally Soper, Janet Cousineau, Theresa Koehler, Diane Reese, Frances Breault, Debra Sheffer and Jean Cousineau. (Daily Press Photo)

Death Takes Son Of Vandermissens

Mr. and Mrs. Henry Vandermissen of Wilson, accompanied by their daughters, Linda and Christine, left today for Milwaukee to attend the funeral of their baby grandson, Jeffrey James Vandermissen, first-born son of Mr. and Mrs. James H Vandermissen.

The child was born June 12, 1964. The maternal grandparents are Mr. and Mrs. John Braun of Milwaukee.

Services will be at 9:30 a. m. Wednesday with a Mass of The Angeles at Holy Assumption Church in West Allis.

Reserve, Guard Units Cut By 59

The Defense Department's plans to merge Army Reserve units with the National Guard would eliminate 59 units in Michigan and cut out 2,761 men.

Delta County has both a National Guard unit, which is headquartered in Gladstone, and an Army Reserve unit located in Escanaba.

Presumably the Army Reserve unit here will be phased out and the men combined with the Guard. No orders to this effect have been received here, however, and the assumption is based on Defense Department statements.

In Michigan there are now 101 National Guard units with a combined strength of 9,197 men. There are 129 Army reserve units with a strength of 7,468.

This makes a total of 230 units and 16,665 men.

But under plans of Defense Secretary Robert S. McNamara to streamline reserve arms, Michigan's proposed allotment is only 171 units and 13,904 men.

Each governor will be asked to accept such tentative allotments as the basis for preparing an organization for his state's new national guard.

In Michigan the plan calls for an infantry division brigade with authorized strength of about 2,500 and part of a training division with an authorized strength of 2,100.

In addition, there would be troop units of infantry, artillery,engineers, medical, military police, signal and transportation "to meet the needs of the State of Michigan for the protection of life and property during natural disaster or other local emergency situations."

The reserve reorganization plan will not be carried out until sometime after July 1, the Defense Department reports.

In the meantime, congressional committees are conducting hearings on the plan, which has stirred up considerable controversy.

E. E. Myrvall Of Wilson Dies

Emil E. Myrvall, 68, widely known resident of Wilson, died at 6 a. m. today at St. Francis Hospital. He had been a medical patient there the past ten days, following a heart attack.

Mr. Myrvall was born in Wilson, Nov. 20, 1896, and was a life-long resident of the community. He was a retired farmer. He was recognized as an outstanding sportsman.

He was a member of Salem Lutheran Church, Bark River, and was a soloist in the church choir.

Surviving are: his wife, the former Alma Anderson whom he married in February of 1921; two sons, Erland and Floyd, Escanaba; two daughters, Mrs. Emil (Dorothy) Carlson, Daggett, and Mrs. Frank (Olga) Yagodzinski, Wilson; 11 grandchildren; one sister, Mrs. John Lafave, Wilson.

The body was taken to the Boyle Funeral Chapel, Bark River, where friends may call after 2 p. m. Thursday. Funeral services will be held Friday at 2 p. m. at Salem Lutheran Church with the Rev. Wayne Monske officiating. Burial will be in Bark River Cemetery.

The body will be removed to the church at noon Friday.

National Forest Timber Sale

RAPID RIVER RANGER DISTRICT HARVEST AREA

Sealed bids will be received by the Forest Supervisor, U.S. Forest Service, Escanaba, Michigan, up to 2:00 P.M. (EST) April 13, 1965 and will be opened immediately thereafter for all live timber marked or designated for cutting and all merchantable dead timber located on an area embracing about 1380 acres in Sections 1, 2, 11 & 12, T41N, R21W; Sections 6 & 7, T41N, R20W; Section 36, T24N, R21W, and Section 31, T42N, R20W, Michigan Meridian, Hiawatha National Forest. No bid less than the minimum rates shown below for each species and product will be considered. The estimated volumes and minimum acceptable rates are: 1640 cords of Aspen & Paper Birch pulpwood at $1.25 per rough cord, (of this, approximately 30% is Paper Birch); 130 cords of Balsam Fir pulpwood at $5.00 per rough cord; 220 cords of Spruce pulpwood at 7.45 per rough cord; 770 cords of Jack Pine and Red Pine pulpwood at $2.45 per rough cord (of this, approximately 25% is Red Pine); 90 MBM Red Pine and White Pine sawtimber at $12.15 per MBM, (of this, approximately 15% is White Pine). The above rates include deposit for sale area betterment. Under certain conditions the Forest Service may, upon execution of a written agreement with the purchaser, base stumpage charges on the scale of pulpwood by the receiving agency. There is also an unestimated volume of Jack Pine, Red Pine, Aspen, and Paper Birch which may be cut from an optional area upon written agreement between the purchaser and the Forest Service. A deposit of $200.00 in the form of a certified check, cashier's check, bank draft, or money order must accompany each bid to be applied on the purchase price, refunded or retained in part as liquidated damages according to conditions of sale. Bids submitted without the above form of deposit will require rejection of the bid as unresponsive. A bond of $750.00 will be required. The right to reject any and all bids is reserved. Before bids are submitted, full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Rapid River, Michigan, or from the Forest Supervisor, U.S. Forest Service, Escanaba, Michigan.

Hospital

Ronda Bucholtz, Trenary, is a medical patient at St. Francis Hospital.

Hospital Sisters Attend Institute

Sister Mary Christina, OSF, director of Nursing Service at St Francis Hospital, and Sister Maria DeLourdes, supervisor of the Clinical Laboratory, attended a three-day institute on the Control of Infections in Hospitals.

The Institute was sponsored by the University of Michigan, the Michigan Department of Health, and the Michigan Hospital Association with the cooperation of the Communicable Disease Center of the U. S. Department of Health Services.

The faculty was composed of 44 outstanding teachers, investigators, and practitioners from the University of Michigan and various parts of the United States.

The purpose of the first portion of the Institute was to present principles and procedures for the control of infections in hospitals. The program was designed to develop a broad perspective of the infection control problem, to explain agency resources and responsibilities, and to advance specialized knowledge in this field. The multi-discipline approach necessary for effective control of infections was emphasized. Both human and environmental factors were considered. Newer areas of knowledge and proposed control measures were evaluated and supporting evidence was critically examined.

The purpose of the second portion of the Institute was to examine in depth the concerns and the control procedures of laboratory and environmental workers. Emphasis was placed on the practical application of the principles developed during the first two days.

The Sisters then spent another day touring the University Hospitals at Ann Arbor for the purpose of securing new ideas that might be incorporated in the services rendered at St. Francis Hospital.

Recently, Sister M. Roberta, O. S. F., supervisor of the operating rooms, returned from a one-day institute sponsored by the National Operating Room Nurses Association in New York.

Prosecutors To Hear Gaffney

George H. Gaffney, deputy commissioner of narcotics with the Federal Bureau of Narcotics, and a native of Escanaba, will speak to the National District Attorneys Association to be held in Houston, Texas, March 16-20.

Gaffney will discuss "Narcotics the Enemy" at the session to be held at 10 a. m. March 19, said Delta County Prosecuting Attorney Nicholas P. Chapekis of Escanaba, who is hopeful that it will be possible for him to attend the meeting of prosecutors.

Gaffney has achieved national reputation in his work against the narcotics underworld while with the Federal Bureau of Narcotics in New York and New Jersey.

Students Plan St. Patrick's Day Program

Students of St. Patrick's School taught by Sisters of St. Dominic will present "Erin Farewell" in the school gymnasium on March 15 and 17 at 8 p.m.

More than 300 children will participate in the play depicting a family on the eve of its departure from Ireland after a visit there. Children in grades one to eight will act out the story featuring songs, dances, and colorful costumes.

Accompaniment for the songs and dances will be played by Susan LeMire, Patricia Chaudior, Mary Lippold and Mrs. Don LeMire.

Invite Madrigals To Inauguration

The Madrigal Singers of Escanaba Senior High School have been invited to be Delta County's representative at the noon luncheon at Gov. George Romney's Upper Peninsula inauguration in Iron Mountain. The Singers were judged the finest vocal ensemble in the Upper Peninsula at the recent Solo and Ensemble Festival at Northern Michigan University.

MANAGER of the Escanaba office of the Federal Land Bank Association is Richard A. Meindl, who succeeds Albert Kinnon, who has retired because of ill health. Meindl was assistant manager of the Federal Land Bank office at Green Bay. The office here centers the system for the Upper Peninsula. (Daily Press Photo)

Mrs. Keith Shaw (Preston's House of Portraits)

Priscilla Lantagne Kieth Shaw's Bride

On a honeymoon tour of the southern states are Mr. and Mrs. Keith Shaw, who were married in a double ring ceremony performed by Father Jordan Telles, O. F. M., Feb. 27 at 11 a. m. at St. Joseph's Catholic Church in Escanaba.

The bride is the former Priscilla Lantagne of Oklahoma City, daughter of Mrs. Arthur Lantagne, 421 S. 8th St., Escanaba, and the late Mr. Lantagne. Parents of Mr. Shaw are Mr. and Mrs. Orin Shaw, Meeker, Okla.

Honor attendants for the couple were Mr. and Mrs. Jerry Gunville, brother-in-law and sister of the bride.

The bride's gown of lace over satin was designed with a full street length skirt and fitted bodice with long lace sleeves tapering to points over the wrist. A crown of pearls and sequins held her short veil of silk illusion. She carried white roses and large white mums in a cascade arrangement.

Mrs. Gunville's dress was nile green chiffon. It featured a full skirt, fitted jacket and long sleeves of sheer chiffon. A satin bow accented the midriff. She wore a nile green leaf headpiece with veiling and green satin slippers. White and yellow carnations were in her cascade bouquet.

A navy blue two-piece crepe with white lace blouse and black patent accessories was the ensemble of the bride's mother.

The reception was held at the Jerry Gunville home, with a three-tiered cake centering the buffet table. Linda Lantagne presided at the coffee service and Louise Gardner was in charge of the guest book. Both are cousins of the bride.

The newlyweds will live in Oklahoma City. The bride, a graduate of Escanaba Senior High School and Gale Institute, Minneapolis, is employed as a key punch operator (IBM) for the Bureau of Internal Revenue Dept., State Capitol, Oklahoma City. Mr. Shaw, a Revenue Dept. examiner, State Capitol, Oklahoma City, is a graduate of Shawnee High School and Central State College, Edmond, Okla.

Isabella Circle Meeting Held Monday Night

The Daughters of Isabella, Trinity Circle 362, held a business meeting last night at 8 at Teamsters' Hall with 51 in attendance. Mrs. William Desmond, a former member was reinstated in the Circle. Installation for Mrs. Henry Bunno, as 3rd year trustee, and Mrs. Maurice Pratt as chancellor, was held. Draping of the Charter for Mrs. Henry Grenier took place. Mrs. Arthur Messier sang "O Meritam Passionis" with Mrs. Cliton Groos at the piano.

Those whose birthdays fall this month were recognized at the meeting, because there will be no social this month. They are Mesdames George Belanger,, Margaret Gray, Madge Olson and William LaCrosse.

Juice and coffee were served following the meeting. Cards of the players' choice furnished entertainment, with prize awards for each table. Mrs. Howard Rusha was chairman.

Corporate Communion will take place at St. Anne's Church Sunday, March 21, at the 8 a. m. Mass.

Classified Ads Cost Little But Do A Big Job

Judith DeMars, Donald Boyce Repeat Vows

Monsignor O'Neil D'Amour offciated at the wedding ceremony for Judith DeMars and Donald Boyce at 10 a. m. Feb. 20 at St. Mary's Catholic Church in Norway.

The bride, daughter of Mr. and Mrs. Kenneth DeMars of Wells, wore a blue suit and her honor attendant, Mrs. Richard Casey, Escanaba, wore a beige suit. Mr. Casey was best man for Mr. Boyce who is a son of Dr. and Mrs. D. H. Boyce.

Dinner was served at Wildwood Country Kitchen, Hermansville, followed by a reception at the home of Mr. and Mrs. Clem Larson in Wells.

The newlweds are residing at 123 S. 23rd St. in Escanaba.

Home for the wedding was Mary DeMars, sister of the bride, who is a student at Fond du Lac.

Training Session For Witnesses Opens Tonight

The Escanaba Congregation of Jehovah's Witnesses announces the tri-annual visit of the circuit supervisor, Otto Kugler, during the week of March 9-14.

"The congregation anticipates a week of increased activity and spiritual benefit from Kugler's visit," Patrick Madden, presiding minister of the Escanaba Congregation, stated. The visit is described as part of an advanced training program for Jehovah's Witnesses. The activity scheduled is also designed to encourage more Bible discussion by people of all faiths in the community.

The program will begin tonight at 7:30 with a ministry training school. The evening will conclude with a 30 minute discussion by Kugler.

Wednesday through Sunday some time will be devoted to field missionary service each day. Kugler will join ministers from the local congregation in making calls on residents in the community. This is part of the regular door to door ministry and training program of Jehovah's Witnesses.

The Saturday evening program, which begins at 8, will include a one-half hour Bible discussion, "New Things Learned," which consists of new findings by Bible scholars in recent months. The audience participates in this session. A 30 minute discussion by Kugler dealing with counsel for improving one's personal ministry concludes the session.

The height of the week's activity come Sunday at 3 p.m. when Kugler gives the public talk, "Do All Religions Lead to Eternal Life?" A congregation Bible study using the "Watchtower" magazine as an aid and final remarks by Kugler bring the weeks' activity to a close.

All meetings will be held at the Kingdom Hall, 1201 Sheridan Road. No collections are taken and all interested persons are welcome.

BIG WHITE crepe stripes feature this supple black crepe gown, a creation from the Tiziani fashion house of Rome in its 1965 spring and summer collection. The one-shouldered bodice blouses easily over a belted waistline. Big faceted white enamel earrings complete the outfit. (AP Wirephoto)

VFW Auxiliary Regular Meeting Held Monday

The Ladies Auxiliary to Hiawatha Post 2998 held a monthly meeting Monday night at the V. F. W. Hall.

During the business session it was announced that the Auxiliary has a 100 per cent paid-up membership for 1965. Mary St. Jacques, assistant cancer chairman, reported that 12 pads were donated from the Auxiliary's Cancer Closet for patients' use. The Charter was draped in memory of Evelyn Volland, Department past president, and Gertrude Raffaelli, a member. Mary St. Jacques received the attendance award.

Election of officers will be held at the next meeting. A School of Instruction is scheduled for April 26 in Escanaba and the district convention will be held May 1-2 in Sault Ste. Marie.

Carrie Johnston and her committee served lunch. During the social hour Stanley A. Johnson of Chapter 24, D. A. V. spoke on Americanism and respect for the flag.

Lobster Tails, Eggs

By GAYNOR MADDOX
Newspaper Enterprise Assn.

Looking for a meatless main dish to serve guests? We've found one you'll welcome. Enjoyed it last night at a special dinner party which included some guests who abstain from meat on certain days during Lent. Everyone was happy. The combination of rock lobster tails and deviled eggs was served in small, attractive individual dishes.

South African Rock Lobster and Deviled Egg (6 Servings)

6 (3 to 4 oz.) South African rock lobster tails
6 shelled hard-cooked eggs
2 teaspoons prepared mustard
1 teaspoon minced onion
¼ cup mayonnaise
6 tablespoons butter
6 tablespoons flour
3 cups vegetable stock
2 tablespoons catsup

Drop South African rock lobster tails into boiling salted water. When water reboils, simmer 3 minutes. Drain, drench with cold water and cut away underside membrane. Remove meat carefully in one piece, cool and split in half lengthwise. Remove yolks and mash with fork until fine. Blend well with mustard, onion and mayonnaise.

Spoon mixture back into egg halves. Place 2 rock lobster halves and 2 stuffed eggs into individual baking dishes or ramekins. Melt butter. Stir in flour. Gradually stir in vegetable stock and catsup. Cook over low heat, stirring constantly until smooth and thick. Spoon sauce over the rock lobster and egg halves.

Bake in a hot oven (400 degrees) for 10 minutes.

LOBSTER AND DEVILED EGGS are meatless treats.

Church Events

Central Choir

The Junior Choir of Central Methodist Church will meet for practice Wednesday at 4 p. m.

★ ★ ★

Bethany Lutheran

The Senior Choir will meet at Bethany Lutheran Church for practice at 6:30 p. m. Wednesday and Mid-Week Lenten services will be held at 7:30 p. m.

St. Stephen's Episcopal

A service of Holy Communion will be held Wednesday at 10 a. m. at St. Stephen's Episcopal church. Beginning March 17, the Communion services will be at 10 a. m. and 7 p. m. throughout the Lenten season.

★ ★ ★

Christian Science Society

The parable of the prodigal son is featured in this week's Bible Lesson on "Substance" to be read in Christian Science churches Sunday. Rejoicing to see his son's return, the father said: "For this my son was dead and is alive again; he was lost, and is found" (Luke 15).

How everyone must eventually find the "substance" of his own life is brought out in the Christian Science textbook: "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (Science and Health with Key to the Scriptures' by Mary Baker Eddy, p. 491).

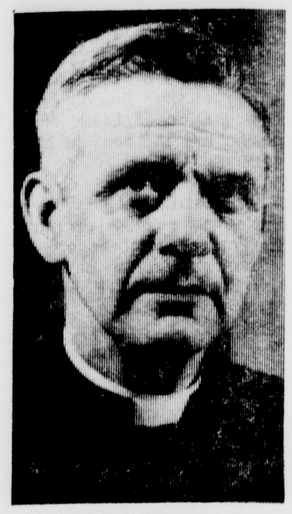

Bishop Will Conduct St. Stephen's Service

The Rt. Rev. George R. Selway, Bishop of the Episcopal Diocese of Northern Michigan, will conduct a "Quiet Evening" at St. Stephen's Episcopal Church Wednesday evening, March 10. At that time the Holy Eucharist will be celebrated.

Services are scheduled to begin at 5:30 and will continue until a 6:30 break for a box lunch supper in Guild Hall. Worship will be resumed at 7:15.

The service will take the place of the regular Wednesday Lenten services and the public is invited to attend.

Those who plan to participate in the entire program are reminded to have their own box lunch. Tea and coffee will be provided.

Bishop Selway

Births

DELORIA — Mr. and Mrs. Dennis Deloria of Milwaukee are the parents of a daughter, Maria Anne, their first child, born March 8. The new member of the family, who weighed 7 pounds and 14½ ounces at birth, is the first grandchild of Mr. and Mrs. Jerome Deloria of Escanaba and the first great grandchild of Joseph Deloria of Garden. Maria Anne's mother is the former Anne Thesersa Wacker. The maternal grandparents are Mr. and Mrs. Joseph Wacker of Elm Grove, Wis.

Soo Hill PTA Is Meeting Thursday Night

The Soo Hill Elementary School PTA meeting will be held at 7:30 p. m. Thursday, March 11. School room visitation will begin promptly, followed by a business session.

Dr. Raymond L. Hockstad will speak on "Sex Education for Your Child."

Mrs. Charles Fletcher, first grade room mother, will be chairman of the social hour, assisted by first grade mothers.

Julie Garrard On Dean's List

Cited on the Dean's List at Western Michigan University, Kalamazoo, for high scholastic achievement, is Julie Claire Garrard. Miss Garrard, a sophomore with a major in Music Education and a minor in Art, is a daughter of Dr. and Mrs. M. H. Garrard Jr. of 1106 7th Ave. S.

LINING IS AN ASSET

Lined dresses are more expensive than those which are not lined. But if your clothes must last a long time you will find the additional expense a worth-while economy. When a dress is lined it looks better, wears better and holds its shape.

School Provides Beatle Antidote

EDITOR'S NOTE — An antidote for Beatlemania in Grand Rapids, a wealthy dog's life in Georgia and a garbage can situation in Phoenix are among snippets from the U.S. scene this week.

GRAND RAPIDS, Mich. (AP) — An emergency shot of classical music is being given public school students here as an "antidote for the Beatles."

Donald D. Armstrong, supervisor of music in the schools, said 520 classical record albums have been purchased to bring "classical selections down to the first-grade level" in the city's 52 schools.

Armstrong said teacher guides explain the classical music and its background.

"I believe the children can get as excited over this music as they do over rock 'n' roll," Armstrong said. "We simply need to give them an opportunity to hear it."

PHOENIX, Ariz. (AP) — For a parking violation you get a ticket. For a garbage can crime you get ignored. And Phoenix residents better hope it continues that way because:

1. It's illegal to use a garbage can that does not have the owner's name and address on it.

2. It's a violation to put a garbage can along the street curb line on any other than garbage collection day. To keep the law, you must wait until after midnight before you put the garbage cans out for a 6:30 a.m. pickup.

3. Garbage can lids must be secure enough to keep a fly from climbing in and out of the can. Just how you get the lid to fit securely on a garbage can after it has been banged around is your problem.

Each violation of these city ordinances is a misdemeanor carrying maximum punishment of a $300 fine and 6-month jail term upon conviction. An affluent, four-can family of violators could wind up in jail for an extended period.

Asked when he was going to start enforcing the garbage can laws, the assistant city manager, Charles A. Esser, passed the buck to Fred Glendening, public works director.

"I'll start pulling in unmarked garbage cans when you stop all night parking on residential streets," Glendening told Esser.

Another unenforced city ordinance prohibits all night parking on "all city streets."

MIAMI BEACH, Fla. (AP) — Ten years ago Bill Shelton was tooling down an Ohio highway when he vaguely noticed the car ahead bore Ohio license plate H-33-T.

As he followed the car, it suddenly dawned on him: the letter and number combination could stand for Harry S. Truman, 33rd president of the United States.

A hobby was born.

Today the onetime industrialist has 36 license plates, one for each of the 35 presidents to date and two for Grover Cleveland.

GW-1 is George Washington's, and 36-LJ is Lyndon Johnson's.

Shelton, a perennial winter visitor to Miami Beach, began searching first by mail from his home at Cuyahoga Falls, Ohio.

"I'd write the license bureau asking who held such-and-such a number," he explained. "Then I'd write 'em a letter, asking that they save their plate for me, and telling them why."

ATHENS, Ga. (AP) — A 10-year-old terrier lives anything but a dog's life. The dog, Sheila, has its own bank account.

Sheila belongs to bachelor G. E. Booth. It caused considerable consternation when the dog put a paw print on a check for $297.

The check contained a photograph of Sheila for identification. All of Sheila's checks do, so some other dog won't be forging the paw print.

Booth, who operates a general store near Madison, Ga., says Sheila is more family than pet. That's why he gave the dog a bank account.

THE LITTLE WOMAN

"You need a specialist—I suggest you see Dr. Pangloss on the third green or Dr. Seltzer on the fifteenth tee."

Schools May Go 400 Stories Up

DETROIT (AP) — Some schools of the future may be located in a high - rise—possibly 400 floors—apartment building.

Little Johnny, instead of riding the school bus, may be riding a pressurized elevator to his kindergarten classroom. And when he grows up, he may be able to rent his home room for his home.

Fantastic? Not really. Prospects, and problems, such as these, were outlined today by Charles S. Stock, president of the Producers Council of Washington, D.C. at the first Industrial, Institutional and Commercial Building exposition and conference.

The show, expected to attract 10,000 visitors, exhibits models of buildings of tomorrow, including automated hospitals, even samples of construction on the moon.

Elevator companies are thinking in terms of pressurized elevator cars to minimize that feeling at high rates of acceleration and deceleration for buildings of 100 or more stories, Stock said.

"Even now, they are thinking of how to cope with problems that will develop as a result of 400-story buildings," he said.

Stock also foresaw buildings in heavily populated areas that can serve several purposes. For example, such an apartment building may "have families living on the upper levels and their small children attending school on the lower level.

"As the need for space in the primary grades decreases, space freed can be converted into dwelling units. If needed, the process can be reversed."

Similarly, schools near business districts may share some of their space with stores and offices, he said.

Stock predicted hospitals will be fully automated to free nurses and other personnel for more intensive care for handicapped and the elderly.

The Escanaba Daily Press has 95 per cent coverage in the City of Escanaba, 94 per cent in the City of Gladstone, 90 per cent in the City of Manistique and 83 per cent throughout Delta County. The Daily Press is a welcome visitor in 10,400 homes daily in a five-county Central Upper Peninsula area. Smart advertisers use the Escanaba Daily Press.

Couple In Court At Ann Arbor For Cruelty To Child

ANN ARBOR (AP) — A 45-year-old graduate student at the University of Michigan and his wife, 43, were arraigned Monday on charges of cruelty to a child.

Paul Roten, student of library science, and his wife, Gertrude, were freed on $250 bond each after demanding examination, set for March 15.

The couple admitted in Municipal court they had beaten adopted daughter Renee, 8, with a plastic belt.

Renee, adopted from a church agency in Fort Wayne, Ind., is in St. Joseph Mercy hospital with multiple abrasions and cuts.

Police said the couple declared they chastised Rene because she failed to bring home arithmetic papers from school.

MANISTIQUE

Indian Lake Park To Be Expanded

Developments scheduled at Indian Lake State Park's west shore were outlined for the Rotary Club Monday by Victor Haas, park manager, in a program arranged by Marvin Frederickson.

The additional visitors will provide $100,000 annual revenue in the area, Haas noted.

Construction will start May 1 on the 144 sites to be developed this year, in a part of the overall program, for the 284 acres. The area lies north and south of the mouth of Silver Creek.

Winter Camping

The plan of development is unique, with clusters of 12 to be constructed. Two of these clusters will be built this year, along with two toilet buildings and a control building.

A community building, which can be winterized for use by winter campers is also planned. Winter camping is a coming thing. The area has much winter activity, Haas noted.

A day use area with beach, a boating area, and trailer parking area are planned too. The concession building will be different from the customary type, as the state doesn't want to compete with private enterprise.

As services or facilities become available in a community, the state drops provision of it. Thus, the new buildings will provide showers, but no longer will include laundry facilities, as these are available in Manistique.

Park Popular

An organized camp area also is scheduled, so reservations can be accepted from groups. At present reservations can not be accepted.

Various businesses providing service to tourists will benefit from the $100,000 the additional campers bring. Generally the area will benefit from increased favorable comment from those coming to visit. Not all those told of the beauty of the area will be campers, so resorts and others will be aided.

The state park has turned away over 300 campers in the past three years so private campgrounds must have built a repeat business by now, he noted.

In Upper Michigan the average length of stay per camp is 1.77, compared with 2.57 in the state. For Indian Lake State Park, however, the average stay is 2.8 days, indicating the area has much to offer.

"If we are to benefit from this, we must work together and make this information available to the thousands who will be coming in the future," Haas noted.

He discussed the great increase in camping and in it the role of television, an auto company's promotion of a certain type vehicle for outdoor use, development of camp equipment and a changing image of the camper, from that of a "bum or gypsy" to a respectable family group which spends money.

Respectable Art

In 1944, the state had 43,000 camping attendance. In 1963, this had increased to 934,000. In 1955, a tremendous increase took place, Haas said.

By 1949, the park here began to experience overtaxing of facilities which had been constructed in the 1930s.

Coordination of the Conservation and Corrections department efforts, using inmate labor for developments was discussed, along with the bonding program for immediate construction to meet camping needs. Park stickers for cars provide the revenue to retire the bonds.

"In earlier years some of our campers apologized, saying they had the money to vacation otherwise, but liked to camp."

With the great upsurge in the popularity of this, the apology is no longer necessary. Those who always wanted to camp but didn't because of what the neighbors would think, now have gone out and purchased or borrowed to purchase equipment for this.

"We haven't reached a plateau on this," Haas pointed out.

Hospital

Admitted to Schoolcraft Memorial Hospital were Sidney Miller, Rte. 1; William Steiner Fayette; Louis Losey, Germfask; Verna Orr, Cooks; Leonard Stoor, 122 N. 2nd; Betty Lee Gulliver; Matt Kasun, Escanaba; Walter Rochefort, Fayette; Henry Weber, Engadine, Lillian Rogers, S. 4th St.; Marporie Rasmussen, Rte. 1.

Discharged were Francis Black, Lucille Adamek, John Walfors, Basil Reid, James Sipe, James LeMaster, Leslie LaBumbard, Emil Knoph, Ralph Smart and Dr. Robert Hawn.

Births

Mr. and Mrs. Alfred Orr, Cooks, are the parents of a son born March 7 at the Schoolcraft Memorial Hospital. The infant weighed 9 pounds 9¾ ounces. Mrs. Orr is the former Verna DesJardin.

A daughter was born March 8 at the Schoolcraft Memorial Hospital to Mr. and Mrs. George Rasmussen, Rte. 1. The baby weighed 9 pounds 4¼ ounces. The mother is the former Marjorie Eburg.

ANNUAL TAX SALE

STATE OF MICHIGAN
IN THE CIRCUIT COURT FOR THE COUNTY OF DELTA.

In the Matter of the Complaint of BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon. } No. 249

On reading and filing the complaint of the Auditor General of the State of Michigan praying for a judgment in favor of the State of Michigan, against each parcel of land therein described, for the amounts therein specified, claimed to be due for taxes, interest and charges on each such parcel of land, and that such lands be sold for the amounts so claimed by the State of Michigan.

It is ordered that said complaint will be brought on for hearing and judgment at the April term of this Court, to be held at Escanaba in the County of Delta, State of Michigan, on the 5th day of April A. D. 1965, at the opening of the Court on that day, and that all persons interested in such lands or any part thereof, desiring to contest the lien claimed thereon by the State of Michigan, for such taxes, interest and charges, or any part thereof, shall appear in said Court, and file with the clerk thereof their objections thereto on or before the first day of the term of this Court above mentioned, and that in default thereof the same will be taken as confessed and a judgment will be taken and entered as prayed for in said complaint. And it is further ordered that in pursuance of said judgment the lands described in said complaint for which a judgment of sale shall be made, will be sold for the several taxes, interest and charges thereon as determined by such judgment, on the first Tuesday in May thereafter, beginning at 10 o'clock a. m. on said day, or on the day or days subsequent thereto as may be necessary to complete the sale of said lands and of each and every parcel thereof, at the office of the County Treasurer, or at such convenient place as shall be selected by him at the county seat of the county of Delta, State of Michigan, and that the sale then and there made will be a public sale, and each parcel described in the judgment shall be separately exposed for sale for the total taxes, interest and charges, and the sale shall be made to the person paying the full amount charged against such parcel, and accepting a conveyance of the smallest undivided fee simple interest therein or, if no person will pay the taxes and charges and take a conveyance of less than the entire thereof, then the whole parcel shall be offered and sold. If any parcel of land cannot be sold for taxes, interest and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be re-offered, and if on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the County Treasurer shall bid off the same in the name of the State.

Witness the Hon. Bernard H. Davidson, Circuit Judge, and the seal of said Circuit Court of Delta County this 4th day of January A. D. 1965. Countersigned, William E. Butler Clerk. Bernard H. Davidson Circuit Judge.

State of Michigan

IN THE CIRCUIT COURT FOR THE COUNTY OF DELTA.

In the Matter of the Complaint of BILLIE S. FARNUM, Auditor General of the State of Michigan, for and in behalf of said State, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Delta.

BILLIE S. FARNUM, Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this complaint under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned;

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) $1.50 for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein and against which extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands by the sale thereof.

Wherefore your plaintiff prays:

a. That within the time provided by law this court may determine and adjudge that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final judgment in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said judgment provide that in default of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount adjudged against the same, shall severally be sold as the law provides;

d. That your plaintiff may have such other and further relief in the premises as to this court may seem just and equitable.

And your plaintiff will ever pray, etc.

Dated: December 29, 1964.

BILLIE S. FARNUM
Auditor General of the State of Michigan, for and in behalf of said State.

Klondike Derby Winners Named

Two patrols from Escanaba Boy Scout Troop 444, sponsored by Kiwanis, competed in the Hiawathaland Council Klondike Derby held Saturday in South Range.

The patrols were the Comet, led by Dick Armstrong, and the Beaver, led by Dan Lee. A patrol from Scout Troop 400 of Manistique also participated. The patrols were winners in the local Red Buck District Klondike Derby held in Gladstone on Feb. 20.

A hundred boys in all competed in the Council Derby from the following local districts: Iron Range, Menominee Range, Pere Marqeutte, Chippewa, Copper Country and Red Buck districts.

Winners in the Council event were: First, Apache patrol, troop 105, Sault Ste. Marie; second place tie between Black Panther patrol, troop 521, Iron River, and the Wolf Patrol, troop 526, Iron Mountain-Kingsford; third, the Iriquois patrol, troop 203, Hancock.

The Klondike Derby is an annual event which teaches the boys winter skills in use of compass, fire building, knot tying, signalling, and first aid.

BOY SCOUTS of the Comet Patrol of Escanaba were among those participating in the Klondike Derby. Pictured (from left) are Peter Lequia, Greg McCarthy, Dick Armstrong, John Marshall and Mike Labre. Member of the patrol not in the picture is Dennis McMillan.

Kiwanis Club Devotes Program To Girl Scouts

Monday was Girl Scout Day in the Escanaba Kiwanis Club and members heard three speakers outline some of the details of organization, accomplishments and objectives of Girl Scouts in this area.

The talks were arranged in observance of Girl Scout Week, and the speakers included Mrs. John Fawcett, who has been identified with the Girl Scout movement for over 40 years, Mrs. George Douglas, who has been active in Scouting at Escanaba for the past five years, and Miss Mary Priniski, a senior Scout. Mrs. Fawcett is a board member in Region 7 of the Girl Scout organization, and is assisting groups in arrangements for attending the national 1965 Girl Scout roundup in Idaho.

The speakers were introduced by Robert Barron of the Boys and Girls Work committee.

It was announced that the 1965 pancake days of the Escanaba Kiwanis Club would be Friday and Saturday, June 11 and 12, with Don Crawford as general chairman of arrangements.

Annouincer Killed In Plane As He Clears School

ANN ARBOR (AP) — A freelance Michigan television announcer was killed Monday on his 43rd birthday—in the crash of his single-engine plane after piloting the failing craft away from a populated area.

Jerry Schweizer of Bloomfield Hills was believed to have been en route to Chicago to record commercials when his plane plunged straight down after steering clear of a school, witnesses said.

Children at the elementary school and nearby construction workers saw the plane circling low overhead before the crash.

"The pilot was obviously trying to bring the plane down in some spot where he would not endanger anyone else, "a Civil Aeronautics Administration official said.

Parts of the plane were buried in the frozen ground. The plane burned on impact.

Briefly Told

City of Escanaba Municipal Employees Local 78 will meet at Carpenter's Hall at 7:30 tonight.

The Escanaba Area Board of Education will meet at 8 p. m. today at the School Administration Building.

Delta Chapter No. 118, RAM, will meet at 7:30 p. m. Thursday at the Masonic Temple to confer the Mark Master Degree.

Michigan Tech student Donald J. Pozniak of Iron River has been awarded a $500 Hanna Mining Co. scholarship, renewable annually. His father is a Hanna employe.

Escanaba Aqua-Nuts, water skiing club, will meet tonight at 7:30 at the John Lemmer School. All members are reminded to turn in their releases.

Airport traffic at Escanaba in February totaled 779 passengers, it is reported by City Manager George Harvey. Seven flights were cancelled because of adverse weather. There are 11 locally based planes at the airport.

The Wells Township Recreation Commission will hold its spring meeting at the Soo Hill School at 7:30 p. m. Wednesday. Discussion will concern the budget and the tournament at Chatham for the summer baseball program, said Harvey Fournier, Commission chairman.

Escanaba police have issued traffic court summonses to Michael N. McCauley, 1231 Lake Shore Drive, leaving the scene of a property damage accident and improper backing; Bruce G. Pepin, Escanaba Rte. 1, defective lights; Joyce E. Fleetwood, 2110 Ludington St., disobeying traffic signal.

The Players de Noc will meet at 8 p. m. Thursday at the Student Center of Bay de Noc Community College to consider a constitution for the organization. Chairman of the constitution drafting committee is Mary Cavadeas. Other committee members are Beverly Moraco, Robert Brien, Tyne Kangas and Jack Romstad.

Kenneth Jackson Phillips, 17, of Green Bay, Wis., waived extradition before Delta County Probate Judge Marie Peters after his release from St. Francis Hospital Monday and was taken back to Green Bay by Brown County Sheriff's officers. Phillips had been held under police guard at the hospital since he was shot last

British Railway Has 'Funeral'

TORRINGTON, England (AP) — Two hundred mourners held a funeral service Monday for the 40-year-old North Devon and Cornwall Junction Light Railway Line.

They hung an evergreen wreath on the front of the diesel engine and a caricature of Dr. Richard Beeching, the boss of British Railways, on the back.

Then they let out a rather sad cheer as the last passenger train moved off on a remote 27-mile stretch of Britain's dwindling rail system.

Crowded with sentimental passengers, the train rumbled cautiously under a stone bridge at Torrington Station and swung right toward a wood of firs.

It never got up much speed, however. The line twists precariously around the Devonshire Hills, and its speed limit always has been 25 miles per hour.

The line has been closed to passenger trains under Beeching's controversial program to rid the government's railway system of lines that don't pay their way. In 1963, the most recent year for which figures are available, passenger service on the North Devon and Cornwall cost $145,600, but the passengers paid in only $2,800.

Robert Sexmith Of Menominee Dies

MENOMINEE—Robert Sexmith, 45, recently appointed general manager of Western Hemisphere Trade Corp., a subsidiary of the Ansul Co. of Marinette, died unexpectedly Monday morning at his home.

Sexmith, well known in the Twin Cities, was a member of Twi-Cees and current commodore of the M & M Yacht Club. Survivors include his wife, the former Joan Hemes, sons, Robert and Stephen, and daughters, Susan and Sharon, all at home.

Isabella

Birthday Party

Lorna Guertin had a party at her home Saturday in observance of her third birthday. A pink and white cake centered the table. Attending were Tim and Peter Guertin, Kevin Guertin, Rhea, Jackie, Bruce and Billy Hebert, Merle Turan, Loretta Nedeau, Ruth Suion, Mr. and Mrs. Louis Guertin and Mr. and Mrs. Caleb Johnson.

Romney Praises Head Of State Labor Affairs

(Continued from Page 1)

the addition of at least 12 additional inspectors would materially reduce the accident frequency and accident severity rates in the state. My approach is to concentrate on those factories which have a higher rate of accidents and encourage industrial safety programs within these plants."

Dingwell charge — Although only about 5,000 of Michigan's non - manufacturing establishments are inspected each year, Johns has not requested additional inspectors in this area. There are only two mercantile inspectors in Wayne County, none in more than 20 counties in northern Lower Michigan and none in the Upper Peninsula.

Johns answer—all mercantile inspectors had their classifications changed to labor standards inspectors. The 1965-66 budget request included eight additional labor standards inspectors and clerical positions. Favorable actions by the legislature would permit full coverage by the department.

Oregon Products Feature Michigan Rose Bowl Dinner

OWOSSO (AP)—Gov. George Romney and his wife Lenore were on hand at a dinner Monday night to help celebrate Michigan's Rose Bowl football victory.

The Romneys, hosts Mr. and Mrs. Albert Koerts of Flint and their guests had crab meat cocktail, prime ribs, baked potato, whole wheat muffins, green beans and red beets and cranberry juice—all products of Oregon.

Romney, who won the banquet from Gov. Mark Hatfield of Oregon as a result of Michigan's Rose Bowl victory over Oregon State, auctioned the dinner off. The Koerts were the high bidders for the feast with $1,000. Romney in turn presented the money to the University of Michigan athletic department.

Ministers Join In Fight For Voting Rights

(Continued from Page 1)

much upset that this could happen in America." This was a reference to police action in using tear gas and billy clubs to break up the march Sunday. He added:

"I heard that Dr. Martin Luther King was calling for white ministers to come and march and I am a white minister. You can say that I heard the Macedonian call.

"We heard the call of God from Selma and we came."

Also protesting was House Speaker John W. McCormack, D-Mass., who described the troopers' rout of the marchers as "a disgraceful exhibition of arbitrary power."

Stop For Nothing

"This savage action in storm trooper style under the direction of a reckless demagogue must have shocked and shamed Americans," said Rep. James G. O'Hara, D-Mich.

About 40 Negroes were injured in the Sunday march and the Negro community has been openly voicing its hostility toward the law enforcement officers.

The fear that the Negroes might fight back was expressed by both King and the Rev. James Bevel, a field worker for SCLC.

"Nothing will stop us," said King. "Not the threat of death itself. The only way we can get our freedom is to have no fear of death.

"We must show them that if they beat the Negro, they are going to have to beat 100 and if they beat 100 then they are going to have to beat 1,000. We will not be turned around.

"The world must know that we are determined to be free," King told the cheering crowd in the church.

Powers-Spalding

PTA Wednesday

A meeting of Powers-Spalding Parent-Teacher Association will be held Wednesday, March 10, at 8 p. m. On the program will be Wayne St. Pierre, social worker of Escanaba. His topic will be "Decent and Indecent Literature". Teachers conferences will be held as usual, from 7 to 8. Room awards will be given. Refreshments will be served.

Fire Call

The Spalding Township Fire Department was called out at 7:15 p. m. Sunday to the home of Mrs. Aldage Murray. A hot wire smell was noticed by the family but no damage was done.

Hart Says U.P. Needs Lab For Logging Change

Senator Philip A. Hart (D-Mich) has urged the Senate Appropriations Committee Subcommittee on Interior to include $390,000 for a forest engineering laboratory at Michigan Tech, Houghton in the U.S. Forest Service appropriations. Senator Pat McNamara (D-Mich) joined the request.

The committee, said Hart, showed its interest in 1964 with provision of $28,000 for planning of a forest engineering laboratory at Tech and now plans are complete, along with cost estimates and he is asking money for construction of the laboratory.

"This is a key requirement for development of improved, more efficient timber harvesting systems in Michigan as well as in the other northern Lake States. Michigan alone has almost 20 million acres of forest land, much of which now supports second growth timber stands ready to be harvested.

"If this harvesting is to be done with maximum efficiency and with minimum harm to the remaining trees, improved logging methods and equipment must be developed through engineering research.

"Furthermore, many forest areas where conversion of forest cover from low-value timber, such as aspen, to high quality stands, such as maple or birch, present an engineering challenge. We need new and more efficient ways, for example to produce wood chips from roundwood in the forest and to transport them to the mills at the lowest possible costs.

"New methods also are needed for removing undesirable forest cover and for planting and encouraging growth of more valuable timber. It's problems like these that make forest engineering research and technological development essential for full development of the natural and human resources in these northern forested regions."

Treasury Chief Dillion To Leave By End Of Month

WASHINGTON (AP) — Secretary of the Treasury Douglas Dillon plans to resign no later than March 31, it was learned today.

Dillon is counting on a vacation of four or five months before returning to his Wall Street investment banking business.

Dillon was quoted as saying, "I am leaving at the end of March. I don't know who my successor will be. I have given plenty of notice; I am going on vacation in April."

Short Haircut Rule Abandoned In British Army

LONDON (AP) — The British army abandoned another tradition today. Out of the Queen's Regulations goes paragraph 1015 — "The hair of the head will be kept short."

"The day of the military crop is over," Army Secretary George Reynolds told the House of Commons.

But he said soldiers' hairdos must still be tidy. The change is intended to make army life more like civilian life.

"I've never heard of anything so silly," said Ronald Britain, a former regimental sergeant major in the Guards Brigade.

"If the army goes to these long-haired modern hair styles, the lads won't be able to hear their orders."

Bank Personnel Complete Course

Among 22 banking personnel completing a two-week Northern Michigan School of Banking in Marquette were two members of the First National Bank of Escanaba.

They are William F. Sullivan, assistant cashier, and Ronald DeVos, installment loan department.

The program, held from Feb. 22 to March 5, was the initial phase of a two-year course sponsored by Group One of the Michigan Bankers Association in cooperation with Northern Michigan University.

NMU faculty members and leading business and bank executives conducted basic and advanced classes in economics, public relations, policy and management, installment credit, and administration and accounting.

Banking personnel participating in the program represented four states — Indiana, Illinois, Michigan and Wisconsin.

Kidnapers Hold Rich Man's Son

MEDELLIN, Colombia (AP) — The Colombian army joined in the search today for the 8-year-old son of one of the country's richest men, kidnaped and held for $250,000 ransom. Police said they were confident of finding the boy within 48 hours.

Carlos Mejia Flores, son of industrialist and rancher Santiago Mejia Herrera, was dragged away by five men Monday while with a group of school companions. Mejia is reportedly worth $30 million.

One of Carlos' schoolmates, shown a photograph of a man known to have taken part in previous local kidnapings, said he was one of the men who snatched Carlos. The Mejia family offered the schoolmates the cost of their education if they would help find the boy. The government offered a $5,000 reward.

Legal Institute Planned April 30

The Institute of Continuing Legal Education will conduct an institute for Upper Peninsula lawyers on "Michigan Civil Procedure Before Trial-II" on April 30 and May 1 at Northern Michigan University's Student Center, Marquette.

The topics to be covered include divorce, restoration of driver licenses and pretrial conference. The Institute is sponsored by the law schools of the University of Michigan and Wayne State University and the State Bar of Michigan. The Marquette institute is one of 14 to be held in the state.

Princeton Star Sparkles In First Tourney Start

By The Associated Press

Michigan, with Cazzie Russell on the bench, lost one that really didn't matter and Princeton, with Bill Bradley in the drivers' seat, won one that mattered very much, indeed.

The mighty Wolverines, the nation's top-ranked college basketball team, found themselves assured of the Big Ten title and the accompanying NCAA tourney berth and had All-America Russell ailing going into Monday night's regular - season windup with Ohio State.

So Coach Dave Strack sat Russell on the bench. Result — a 93-85 Ohio State upset, the top game in a scattering of regular-season activity.

Princeton, meanwhile, got a typical clutch performance from Bradley, Player of the Year and a two-time All-America, in edging Penn State 60-58 and leading the advance of five teams through first-round activity in the far-flung NCAA tourney.

Bradley, who had 22 points, six assists and nine rebounds, scored six clutch points in the last 2½ minutes as the Tigers held off Penn State in the first game of a tripleheader at Philadelphia, with all winners advancing to the semis of the East regional tourney.

Nationally third-ranked St. Joseph's, Pa., had its hands full and had to come from behind for a 67-61 triumph over Connecticut while Providence romped over West Virginia 91-67 in the other two.

At Lubbock, Tex., Houston edged Notre Dame 99-98 in overtime as Ed Winch dropped in two free throws with six seconds left and Oklahoma City nipped Colorado State 70-68 on Charlie Hunter's jump shot in the final second. That put Houston in the Midwest regional semis and Oklahoma City in the West semis.

Meanwhile, the tourney field was completed in playoffs at Waco, Tex., and Dayton, Ohio, to determine the Southwest and Mid-America Conference representatives. Southern Methodist took Texas 80-78 at Waco and Ohio held off Miami of Ohio, 76-71 at Dayton.

That made the line-up for the NCAA regionals, all Friday and Saturday, with the latest rankings and season records, now read:

East, at College Park, Md. — North Carolina State 20-4 vs. Princeton 20-5, and No. 4 Providence 23-1 vs. No. 3 St. Joseph's, Pa. 26-1.

Mideast, at Lexington, Ky. — No. 1 Michigan 21-3 vs. winner of tonight's Ohio U.-Dayton game, and No. 5 Vanderbilt 23-3 vs. winner of tonight's Eastern Kentucky-DePaul game.

Midwest, at Manhattan, Kan. — Oklahoma State 19-6 vs. Houston 19-8, and Southern Methodist 16-9 vs. Wichita 19-7.

West, at Provo, Utah — San Francisco 23-4 vs. Oklahoma City 20-9, and No. 10 Brigham Young 21-5 vs. No. 2 UCLA 24-2.

Russell, the 6-foot-6 backcourt ace of the nation's top-ranked team, was suffering from a virus and had a fever of 101 when game time came against Ohio State.

He didn't play and the Wolverines suffered their third loss of the season — their first in the Big Ten. The other two losses were by one point, to St. John's and Nebraska.

No. 5 Vanderbilt also closed out its regular season play with a 106-69 romp over Louisiana State.

Michigan Won't Lose Berth In NCAA Tourney

CHICAGO (AP) — All-America Cazzie Russell's worth was well proven by his absence Monday night when Michigan suffered its first Big Ten loss of the season.

With Russell sidelined because of a sore throat and a 101-degree temperature, Ohio State stormed to a 93-85 victory over the Wolverines at Columbus, preventing Michigan from putting together an undefeated conference season.

Michigan, the nation's top-ranked team, had suffered but two previous losses. They were to Nebraska and St. John's, each by one point.

Without Russell, Michigan managed to battle to a 39-39 halftime, but the Buckeyes put the game away in the second half as Dick Ricketts scored 32 points.

Bill Buntin had 27 for Michigan and Oliver Darden added 22. It wasn't enough against the Buckeyes who finished with five players in double figures.

In other conference games, Indiana whipped Wisconsin 92-73 and Northwestern scored an 87-82 victory at Purdue. The Big Ten season ends tonight with Michigan State at Illinois and Iowa at Minnesota.

The defeat cost the Wolverines a niche in Big Ten history along with Illinois's Whiz Kids of 1943 and Ohio State's Jerry Lucas-led team of 1961.

Michigan, nevertheless, will represent the Big Ten in the NCAA playoffs. Neither the Whiz Kids nor the 1961 Ohio State team were able to capture the NCAA championship.

Indiana's victory at Wisconsin closed the greatest twin-brother spree in Big Ten history. Dick Van Arsdale scored 21 points and brother Tom added 18. This gave Tom a career total of 1,252 to 1,240 for Dick.

Northwestern turned in almost as big an upset as did Ohio State with its victory over Purdue. The Wildcats won easily as Ron Kozlicki scored 22 points and Jim Burns added 19.

Purdue's Dave Schellhase, with 42 points, ran his conference season total to 391 points to best Russell for the conference scoring championship.

Class C Champs Plays Tonight

By The Associated Press

Two of the three defending champions still competing in the Michigan High School basketball tournament will not see action until later in the week.

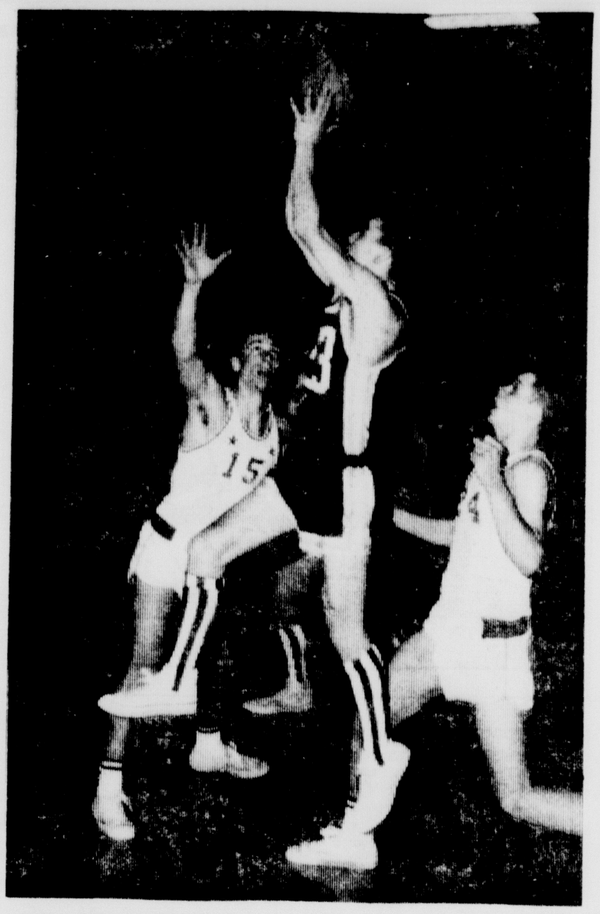

But Grosse Pointe St. Paul, Class C champion in 1964, will be playing tonight as the tournament starts its second week.

St. Paul's opponent in the opening round of the regional phase of the tourney is rugged Detroit St. Theresa. The two teams will meet at Harper Woods Bishop Gallagher.

Benton Harbor, Class A champion last year and winner of 29 straight so far this season, will play Hastings at Western Michigan University Friday.

Tourney - wise River Rouge, its trophy case already bulging with basketball awards, continues its drive toward a fourth straight Class B crown when it meets the winner of tonight's Dexter-Jackson St. Johns game at Eastern Michigan University Friday.

Highland Park plays Detroit Northwestern in Class A; Niles Brandywine meets Kalamazoo Christian, South Haven tackles Battle Creek Pennfield in Class B and Hamtramck St. Florian takes on Detroit St. Martin in Class C in some of the other top games on the card tonight.

DAVE BUSH, Stephenson's classy little junior guard, shows the form that has made him one of the most dangerous basketball shooters in the Upper Peninsula the past two seasons. Bush lets fly with his jump shot above in the Class D district tournament championship game against Marquette Bishop Baraga. The 5 foot 9 inch ace scored 31 points as the Eagles won, 68-63. (Daily Press Photo)

Buckeye Jinx Holds; Cazzie Sick, UM Bows

COLUMBUS, Ohio (AP) — A jinx of some 18 years standing and an unknown bug combined to make mighty Michigan a bit less mighty Monday night with a 93-85 upset defeat at the hands of Ohio State.

The bug attacked Cazzie Russell. Michigan's prime shooting star was forced to witness the crusher from the bench with a fever—up to 101 degrees at one point—and a sore throat.

The jinx befell the entire team. Since 1947, Michigan has never won a game against the Buckeyes on their home court in Columbus. One of the better efforts of the Wolverines came last year when they lost by a narrow 86-85.

Michigan is still the big gun in the Big Ten, but the championship crown, won Saturday in a game against Minnesota, was slightly tarnished by the loss.

The defeat also meant that Michigan was unable to complete a perfect Big Ten season—something that has been pulled off only twice in modern conference history.

The Wolverines ended the season with a 13-1 Big Ten mark and a 21-3 season record.

Ohio State came from 11 points down in the first half to tie the game 39-all at the half. The Buckeyes then stormed ahead to take over 82-73 with 3:33 to go.

Michigan, hampered by the absence of sparkplug Russell, got within six points with 28 seconds to play, but could not pull over the hump—as it had done in previous closely fought contests.

Ohio State substituted 6-foot-8 center Jim Shaffer early in the game for 6-foot guard Al Rawley. The shift, gave the Buckeyes a slight height advantage, and the hosts were pretty much in control from then on.

Bill Buntin scored 27 points and Oliver Darden had 22 for the Wolverines. The Buckeyes had five players in double figures.

Rodman Extends Entry Deadline

HERMANSVILLE— The entry deadline for the 27th annual Upper Peninsula and Northeastern Wisconsin Amateur Basketball Tournament has been extended to midnight Friday, March 12th. Frank J. Rodman, tournament manager, announced today. Rodman said the deadline was extended because several teams had requested an extension to make sure they would be able to make the tournament which will run March 20-28.

The Detroit Tigers have increased their night schedule for 1965 to 39 games at home.

Bush Is Among Top Gunners In Regional Action

There will be gunners galore in the Upper Peninsula regional basketball tournaments at Northern and St. Ignace this week . . . Such sensational shooters as Ron Povolo of Hermansville, Dom Jacobetti of Negaunee St. Paul, Bob Gale of Trout Creek, Barry Rochefort of Garden and Pat Murphy of Soo Loretto are among the survivors of district tournament action last week.

Although he did not finish among the top "20" during the regular season, Stephenson's little Dave Bush is one of the deadliest marksmen in the Peninsula and will put his ability on display in the Class C meet at Northern . . . Bush has scored 327 points in 19 games and wrecked Marquette Bishop Baraga with his unerring accuracy from the foul line in the district title game here Saturday night . . . He canned 15 of 18 gift shots and added eight field goals for 31 points . . . He tallied on nine of ten from the line in the decisive final quarter . . . Stephenson will enter its Thursday night game at 7 against Hancock with a 14-5 record . . . Hancock, of course, is unbeaten this season.

Escanaba has earned the label of Comeback Team of the Year in the Upper Peninsula . . . Coach Harold Johnson's sophomore - studded charges floundered in the early going, losing five straight and eight of their first ten starts . . . But they finished with an impressive string of victories and have captured four in a row and six of their last seven starts . . . Sophomores have played a major part in the surge with Dave Nyquist, Paul Miller and Jim Boyle in leading roles.

Coach Dave Pelletier of Garden announced today that tickets for the Jets' Class D regional game against Pellston at St. Ignace Wednesday at 8 are available at the Garden High School office . . . Garden will carry a 16-5 record into that contest and the Jets will be paced by 6-foot Barry Rochefort, the fifth leading scorer in the Upper Peninsula with 581 points to date . . . Pellston, coached by former St. Joe and Holy Name mentor Tom St. Germain, has an 11-8 record but seven of the defeats were suffered to Class C or B schools . . . A starter on the Pellston team is the coach's son, Sam, who at 5 feet 8 inches is the only regular under the 5 foot mark.

Ron Povolo, the Upper Peninsula regular season scoring king this year, has moved up a notch in the all-time career scoring list . . . Povolo tossed in 62 points in his three district starts to boost his season total to 723 and his career mark to 1,949 . . . That jumped him ahead of Nahma's Pat Groleau who had 1,926 and right behind Bill Koski of Champion at 1,953 . . . The No. 1 and 2 scorers on that list are Jim Manning of Trout Creek with 2,137 and Dom Jacobetti of Negaunee St. Paul with 2,064 . . . Jacobetti scored 85 points in three district tuornament games to become the second player in Upper Peninsula prep history to top the 2,000 career mark.

Coach Jim Depew's Eben Eagles will carry a glossy 19-1 record into their Class D regional game against Pickford Friday night at 7 . . . The leading scorers among the lanky Eagles are Bill Carlson with 327 and Andy Freberg 293 . . . Eben players did not reach astronomical individual scoring totals this year because of Depew's system of substituting entire units during the season as his Eagles swept to the Central League crown.

Speaking of scorers, there is a downstate deadeye who has taken aim at the all-time state record of 839 points set by Stephenson's great Mel Peterson in the 1955-56 season . . . Richie Jordan of Fennville is only 11 points away from that record, averaging 43 points per start in 19 games.

Russell Named Player Of Year

BOSTON (AP) — Captain Bill Russell of the Boston Celtics says he owes his National Basketball Association Player of the Year award to his teammates.

For the fourth time in five years and fifth time over-all Russell has been named the league's MVP by the votes of member athletes.

"I may sound corny," Russell said Monday, "but the simple truth of the matter is that I owe this award to my teammates. They have made this the best year I have ever had."

Al's Cagers Top Perkins

Al's Bar, tuning up for the Upper Peninsula - Northern Wisconsin Independent tournament at Hermansville, defeated the Perkins Independents, 91-87.

Wally Slade tallied 30 points and Leonard Larson 28 for the Escanaba team.

Dells Keglers Set U.P. Pace

MANISTIQUE — The Dells Supper Club team of Gladstone is the leader in the Upper Peninsula Women's bowling tournament after the first weekend of action with a 2589 pin total.

Topping the doubles division are Myrna Hubble and Beatrice Nelson of Manistique with 1164 pins.

Singles leader is Gayle Mills of Newberry with a 603 series while Myrna Hubble paces all-events with 1745.

The early leaders:

Team Event

1. Dell's Supper Club, Gladstone	2589
2. Inland, Manistique	2566
3. Barabe's Insurance, Ishpeming	2521
4. Edwards Auto Body, Escanaba	2509
5. Blaney Park Resort, Newberry	2500

Doubles

1. Myrna Hubble-Beatrice Nelson, Manistique	1164
2. Hilda Paquette-Mary Weber, Manistique	1110
3. Alice Krout-Teresa Kennedy, Escanaba	1109
4. June Peterson Sandy Saffer, Manistique	1106
5. Suzy Coger-Judy Coger, Manistique	1051

Singles

1. Gayle Mills, Newberry	603
2. Mary Herbst, Newberry	566
3. Rose Bracke, Escanaba	565
4. Lucy Zuehlsdorf, Manistique	446
5. Myrna Hubble, Manistique	555

All Events

1. Myrna Rubble, Manistique	1745

Ski Club Starts Drive To Finance Ski-Flying Hill

IRONWOOD — The Gogebic Range Ski Club has launched a drive to raise $46,000 as the local contribution toward the $460,000 construction cost of the proposed Copper Peak ski flying and ski jumping hill.

The club, a non-profit organization, has been assured of a $150,000 federal grant and a $250,000 federal loan for development of the project.

Plans for the ski slide are now in the hands of the International Federal de Ski in Switzerland, the United States Ski Association and the Central U.S. Ski Association for final checking and approval. The club hopes to be able to call for bids this spring.

Expectations are that national and international tournaments would be attracted to the hill. The ski slide, as proposed, is designed for both 90-meter jumping and 120-meter flying.

Esky Meets Ottawa Hills In Regional

The Escanaba Eskymos drew a tough opponent in the Class A regional basketball tournament opener for Friday night at Godwin Heights High School in Grand Rapids.

Coach Harold Johnson's Upper Peninsula champs will face Grand Rapids Ottawa Hills, a club with a 16-2 record, in the first game at 7. Muskegon Heights (13-5) and Grand Rapids Central (14-5) will clash in the nightcap at 8:30. The winners will meet for the regional crown Saturday night.

Ottawa Hills was eighth-ranked in the final state Associated Press poll and upset second ranked Grand Rapids South in Class A district action last week. Ottaway Hills defeated Grand Rapids Central, 73-57, in the district finals. One of the team's two setbacks in the regular season was suffered to Grand Rapids South.

Ottawa Hills is a school of 1,2000 enrollment, located at 1050 Iroquois Drive. The Indians, coached by R. Hendrickson, shared the City League championship this season with South. The school's colors, orange and black, match Escanaba's.

Leading the Indians in their highly successful campaign were a pair of slick guards, floor general Bob Hudson at 5-8 and John Pierucki at 5-11.

Top scorer and rebounder is a 6 foot 5 inch center, Ben Johnson. Manning the forward posts are Virtlee Trice and Mike Coleman, a 6 foot 3 inch veteran.

The Eskymos will leave on their third Class A tournament trip to Grand Rapids in the last five years at 9 a. m. Thursday and will work out in a city gym Thursday night.

Student and adult tickets are available at the Escanaba Area Public School office.

Northern Upset In Tournament

KANSAS CITY, Mo. — The Northern Michigan University Wildcats, eighth seeded in the National Association of Intercollegiate Athletics basketball tournament here, were upset 95-89 in overtime Monday by Hastings, Neb., in an opening round game.

Hastings wiped out a seven point deficit in the final 3 minutes and 49 seconds of regulation time. The Wildcats blew a 13 point lead with eight minutes to go.

A pair of buckets by Larry Semin in the final 21 seconds of the overtime period provided the margin of victory. Gene Summers, who with Con Yagodzinski fouled out in the fourth quarter, paced Northern with 26 points.

Sanders Paces Money Winners

DUNEDIN, Fla. (AP) — Jack Nicklaus is the only one of the Big Three in professional golf to get into the top ten PGA money-winners' list.

His $6,000 for second place in the Pensacola Open gave him a total of $8,075 and ninth place in the list, released Monday. Arnold Palmer and Gary Player are not even in the top 25.

Doug Sanders, who won $10,000 at Pensacola by whipping Nicklaus in a playoff, is the leading money-winner with $16,332.78. He made it by playing in six tournaments and finishing in the top five twice.

Billy Casper is second with $15,557.50, and Bob Charles is third with $14,406.25.

Vote Planned On Charter

Residents of Gladstone will be given an opportunity to express their opinions on the advisability of revising the city charter at the spring election on April 5.

Meeting in regular session Monday evening, the City Commission decided a vote of the people on the need of such action was advisable before electing a charter commission. If the people decide the charter, which was drawn in 1923, should be revised a nine-man charter commission could be elected at a special election.

The charter commission's product would then have to be presented to the people for final adoption.

In other action, the commission extended the deadline for light fixture bids to March 22. Power plant coal bids will be opened at the commission meeting April 12.

City Manager H. J. Henrikson said that approximately 12,000 tons of coal would be needed at the plant this year.

A membership in the Michigan Municipal Utilities Association will be purchased for Willard LaFond, superintendent of the city light department.

The Commission also met informally with Joseph Moreau, fire chief, and Jack Snouwaert, volunteer fire chief, to coordinate a training program.

Grace and Hope Circles of the L.C.W. of First Lutheran Church will meet at the church at 2:30 p.m. Thursday. The Rev. George A. John Porthan, Vicar of Trinity Episcopal Church, will speak on the Angelican Church. Mrs. Torval Kallerson and Mrs. Andrew Anderson will be the hostesses and all members are urged to attend.

The Afternoon Circle of the Evangelical Covenant Church will meet at the home of Mrs. Gilbert Olson, 815 Michigan Ave., at 2:30 p.m. Thursday. Mrs. Axel Ostlund and Mrs. Loren Anderson are in charge of the program.

Lodge 103, B. of R. T., will hold a regular meeting at the Legion Hall Tuesday at 7:30 p.m.

Two Rapid River youths, Daniel Mosher, 19, and Charles Parrett, 19, who were arrested Sunday by State Police of the Gladstone Post as minors in possession of beer, each entered pleas of guilty when arraigned before Justice A. J. Mortier in Gladstone Monday. Mosher was fined $50 and court costs of $4.30. Parrett paid a fine of $25.70 and costs of $4.30.

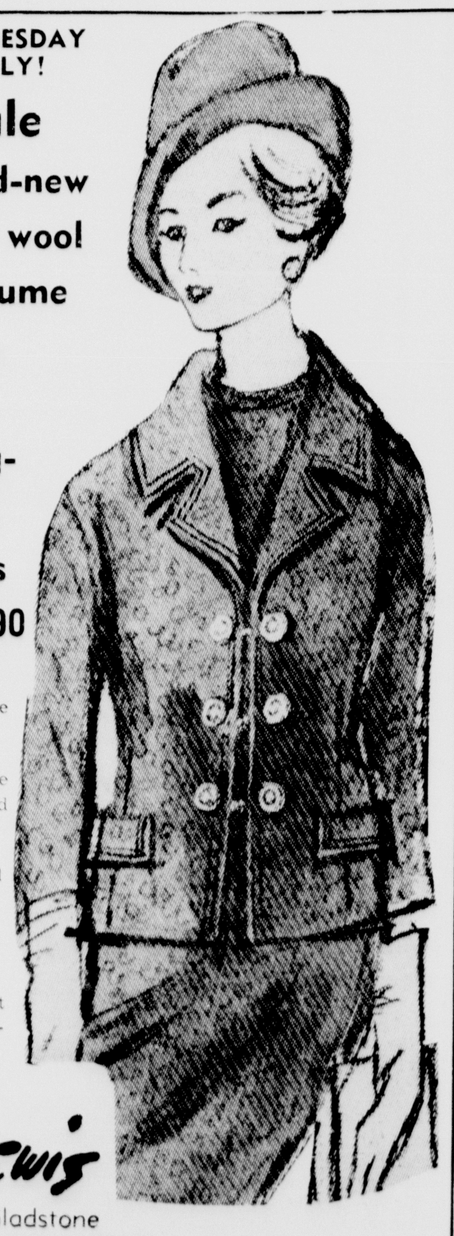

State Police of the Gladstone Post issued traffic tickets Monday to Norman McCullough, Wilson, for defective brakes, and to Alfred Michalik, Fayette, for speeding.

Ernest Nebel of Kipling is a surgical patient at Schoolcraft Memorial Hospital at Manistique.

A Father and Son Banquet sponsored by Gladstone Lodge 396, F. & A. M. will be held at the James T. Jones cafeteria at 6 p.m. Thursday. Milt Plum, quarterback of the Detroit Lions of the National Football League, will be main speaker. No tickets will be sold at the door, but may be obtained from any officer of the Lodge.

Alfred Johnson Dies In Crete

Alfred (Stump) Johnson, 65, Gladstone Rte. 1, died suddenly Sunday evening at the home of his daughter, Mrs. Ray Campbell, in Crete, Ill., where he had been spending the winter.

Mr. Johnson was born in Gladstone June 28, 1899, and was a life-long resident of the community. In his early years he was employed by the Northwestern Veneer & Plywood Co., and later was self employed.

He is survived by the one daughter, the former Gloria Johnson; four sons, Bernard of Gladstone, Kenneth, Detroit, Robert of Glendale, Calif., and Arnold, Phoenix.; Ariz.; six grandchildren; two sister, Mrs. Signe Englehardt, Chicago and Mrs. Edith Flannery, Gladstone Rte. 1; two brothers, Ted of Gladstone and Leonard, Chicago. His wife died in 1947.

The body was brought here to the Kelley Funeral Home where arrangements for services will be completed later today.

In Service

Airman First Class Wilfred E. Bruce, son of Mr. and Mrs. James A. Bruce of Battle Creek, Mich., has arrived for duty at Alconbury RAF Station, England. He is an aircraft machanical equipment repairman, previously served at K. I. Sawyer AFB. The airman, a graduate of St. Philip High School, attended Northern Michigan University at Marquette. His wife, the former Ramona C. McNamaira, is the daughter of Mr. and Mrs. Archie McCormis of Gladstone Rte. 1.

Ruby's Sanity Trial March 29

DALLAS, Tex. (AP) — Dist. Judge Joe Brown granted a defense motion Monday and set March 29 as the date for a sanity trial for condemned killer Jack Ruby.

Brown, who presided over the month-long murder trial which ended in the death verdict for Ruby March 14, 1964, said a jury will be empaneled to determine the sanity of the man who killed presidential assassin Lee Harvey Oswald.

Judge Brown said after today's 30-minute hearing that he was granting the motion for a sanity trial "to comply with orders of the Texas Court of Criminal Appeals."

Ruby was well-dressed in a dark blue suit and appeared in relatively good health at today's hearing.

"Hi, how are you," Ruby said to a newsman as deputies escorted him into the courtroom.

His cheeks had color and he seemed to have gained some weight since his last public appearance.

Draft Exemption Broad Enough For All Religions

WASHINGTON (AP)—The Supreme Court ruled unanimously Monday that the draft law's exemption for conscientious objectors is broad enough to embrace all religions, but excludes those disavowing religious beliefs.

Justice Tom C. Clark spoke for the court in the holding that the law does not permit exemption for tose who seek to claim it on the basis of essentially political, sociological or economic considerations that war is wrong and that they will have no part of it.

"We have concluded," Clark said, "that Congress, in using the expression 'Supreme Being' rather than the designation 'God' was merely clarifying the meaning of religious training and belief so as to embrace all religions and to exclude essentially political, sociological, or philosophical views."

Minor damage occurred at 6:30 p.m., Sunday when a car driven by Katherine Shay, 18, of Germfask, hit a parked car owned by Schuyler Bartholomew of Garden, on Houghton Ave. Miss Shay was ticketed for not having an operator license.

Circles of First Baptist Church meet this week as follows: Effie Carrington, Tuesday, (today) 7:30 p.m., at home of Mrs. Kenneth Thorell, 803 Arbutus; Bertha Crowe, Wednesday, 1:30 p.m., home of Mrs. Edwin Ekdahl, 508 Park; Pearl Shinar, Thursday, 7:30 p.m., home of Mrs. Myrtle Allert, 513 Michigan.

A general staff meeting for all teachers and officers of First Baptist Church will be held at 7 p.m., today at the church.

American Legion Post 83 meets Wednesday in the Sportsmen's Club, beginning at 7:30 p.m. Lunch will follow.

The Baptist Women's Missionary Society meets at 7:30 p.m., Monday, March 13, with Mrs. Norman Andrews as program chairman and Mrs. Oscar Blomquist and Mrs. Clarence Thorell as hostesses.

The Goodwill Club meets Thursday at 2 p.m. at the Maple Grove Hall. Potluck lunch will be served.

State Police ticketed the following for speeding: Donald F. Dohm, Ottawa, Ont., Edward Coats, Grand Marais, Dennis J. Lundy, L'Anse, Jim T. Lawrence, Thiensville, Wis., Peter L. Eckhardt, Sault Ste. Marie, Leroy R. Erickson, Lincoln Park, Leo F. Picard, K. I. Sawyer AFB Myles H. Beattie, Gwinn, Robert E. Bishop, Sault Ste. Marie. They also ticketed Merla A. Cousineau, 309 Lake, for defective headlights.

The CYF of Bethel Baptist Church meets Tuesday (today) at the Donald Lloyd home, Rte. 1.

Couples Fellowship of Bethel Baptist Church meets at the church Thursday at 7:45 p.m. Walter Minor, social welfare director will speak. Hosts will be Mr. and Mrs. Harold Carlson and Mr. and Mrs. Myron Louis.

As a result of spring-like weather, residents of Schoolcraft County are noting flowers are beginning to appear. These include snowdrops of Mrs. Vern Bernard, which have already grown an inch.

Income Taxes

QUESTION: My wife and I are entitled to file a joint federal income tax return for 1963. However, it appears that our income tax would be substantially less if my wife filed a separate return claiming the Standard Deduction, and I file separately itemizing deductions. Does the law permit this?

ANSWER: No. If you file separate returns, you both must itemize deductions or both must claim the Standard Deduction.

If you itemize, each may claim only the allowable deductions paid with his or her funds.

If the Standard Deduction is claimed, each spouse is limited to either 10 per cent of adjusted gross income or $500 whichever is less.

Starting with 1964 there is also a new Minimum Standard Deduction. The Minimum Standard Deduction for married persons filing a separate return is $100 plus $100 for each exemption on the return. The Minimum Standard Deduction as with the 10 per cent Standard Deduction is limited to $500 on separate returns and, if one spouse uses it the other must also.

QUESTION: My husband passed away several years ago leaving me with two small children. I was forced to take a job to support my family. During 1964 I paid $75 a month to a day nursery for the care of my two boys. May I claim a deduction for this expense on my tax return?

ANSWER: The new law provides that if these expenses were necessary to enable you to be gainfully employed, you may deduct as a child care deduction the amount you spent not to exceed $600 for one dependent and $900 for two dependents. You are gainfully employed if you are working for wages or operating your own business for profit. To claim a child care deduction, you must itemize your deductions on Page 2 of Form 1040. In addition, the person for whom the care is needed while you are working must qualify as your dependent and either be a child under 13 years of age or be a person who is physically or mentally incapable of caring for himself. Your expenses would be deductible within the above limitations

MANISTIQUE

ERNEST WILLIAMS shows off a creation of his, made from the head of a 10-pound great northern pike. The feather for the hat came from Houghton's Chicken Farm During the Manistique Centennial fun, he drew laughs, and even some credulity from visitors, with a mounted pike head on which he had attached horns. He claimed one was "bent" from hitting the bottom of a fishing boat, on Horned Pike Lake. (Daily Press Photo)

MR. AND MRS. Wilfred Erickson, Rte. 1, are announcing the engagement of their daughter, Joanne to Kenneth Fagan, son of Mr. and Mrs. William Fagan, 109 N. 2nd St. No date has been set for the wedding.

OES Observes Men's Night

The Order of Eastern Star observed men's night Saturday evening. Guests were Keith Bundy, Stanley Carlyon and William Mueller.

A group of officers were honored: Clifford Cool, Witter Reid, and Mmes. Franklyn Burgess, N. H. Modders, Witter Reid, George Meron, Harold Rodgers and Cecil Taylor. They fill the offices respectively of warder, marshal, chaplain, Adah, Ruth, Esther, Martha and Electra.

Guests were Mrs. Ethel Koronski of Bessemer, past grand matron of the grand chapter of Michigan and present chairman of the education board, and Mrs. Doris Olson of the Menominee chapter, who is first vice president of the Cloverland District Assn.

The worthy matron announced initiation would be held March 30 and that the past matrons and past patrons fete would be April 10.

Serving on the refreshment committee were G. L. Bouschor, Orson Livermore, James Carlson, Graydon Stone and Victor Haas.

In "Music Man"

Lawrence Weaver, son of Mr. and Mrs. Paul Weaver, Gulliver, will appear with the cast of "The Music Man" at Northern Michigan University, April 2, 3, 5 and 6. Lawrence, who will sing tenor with the barbershop quartet, is a freshman at NMU.

MSU Consumer Panels Viewed

By ROSE LaCHAPELLE

At a recent meeting for Home Economics study club members, Michigan State's Mary Zehner conducted a marketing information program in Fairview School. Involved in the Cooperative extension program were six tests of preference for various products and packaging of them.

Some question arose at the time as to the propriety of a government-supported institution sponsoring this type of testing program, as the results would benefit food processors (more than consumers) and these could be expected to conduct or pay for this type testing.

Involved in the tests were preference for small, large or medium eggs, at various prices; preference for plastic-coated cardboard or plastic container for a half gallon of milk; preference for a new type russet-skinned potato developed downstate as compared with a lighter-skinned type; package preference for dried cherries developed in the Traverse City area; preference for applesauce taken from a can as compared to that reconstituted from powder; and selection of pure ground beef as compared to hamburger.

The Press wrote to Miss Zehner to determine whether this information as was understood that evening, was for one food processor or generally was to be available. She has replied the information is available to all in the industry. The marketing program, she said, is supported by the U.S. Department of Agriculture with matching funds available from the State of Michigan.

The Consumer marketing information program at Michigan State University is an educational one, the purpose of which is to increase the efficiency of food distribution from the producer to the consumer.

This is accomplished through increasing consumers' knowledge and understanding of the marketing system, giving food shoppers a better knowledge of available food supplies, seasons, varieties, so they obtain greater satisfaction from expenditure of their food dollar, she states.

Also, the program attempts to contribute to the efficiency of food distribution by informing farmers, processors and food handlers of consumers' changing demands, buying habits etc.

The service is interested, she indicated, in understanding consumers with whom it works, their level of knowledge about food buying, their preference and buying habits.

The Consumer panels have a 3-fold purpose of (1) learning more about Michigan consumers, (2) reflecting this information to the people in the food industry who make some of the decisions in the marketplace, and (3) importantly, for the teaching value of the consumer panels to the participants, she notes.

As a participant in the panel conducted in Schoolcraft County, the writer can say that from the tests, it could have been learned that a dozen eggs of equal size provide the same amount of weight per cost; that hamburger is generally less red than ground beef and can contain more fat, that a new dried cherry product was on the market and a new kind of potato was being developed. The packaging information could only benefit those who package it.

Obituary

S. A. MASSY

Funeral services for S. A. Massy, 58, of Gulliver, who died Saturday, will be held at the Kefauver-Jackson Funeral Home at 2 p.m. Wednesday. Burial will be in Fairview Cemetery in the spring. Masonic services will be conducted at 8 tonight (Tuesday) and all members of Lakeside Lodge 371 F. & A. M. are expected to be present.

Lincoln PTA

Lincoln PTA will meet Thursday at 8 p.m., and have a program on art in elementary education by Mrs. Taisto Orhanen.

MYTHICAL SHEPHERD

Greek mythology's Endymion was a handsome young shepherd who grazed his sheep on Caria's Mount Latmos, according to the Britannica Junior Encyclopaedia.

1. Card of Thanks

Brown

I wish to thank all my friends, neighbors and relatives for all the cards and kindnesses shown to me while I was a patient in the V. A. Hospital in Iron Mountain. Your thoughtfulness will always be remembered.

Warren T. Brown

Reinholdson

We wish to express our sincere thanks to neighbors, friends and relatives for the assistance and sympathy tendered us at the time of the death of our dear brother, Algot Reinholdson. Especially are we grateful to the Ladies Aid of Trinity Lutheran Church, Stonington, the American Legion, the pallbearers, Rev. George Olson and all who sent flowers. The memory of these acts always will remain with us.

The Algot Reinholdson Family

COMFORT STRETCH

URBANA, Ill. (AP)—Stretch fabrics are being improved by modern technology to provide faster and better recovery features plus shape retention.

Esther Siemen, University of Illinois extension clothing specialist, says the two basic categories of stretch fabrics are power stretch and comfort stretch.

Comfort stretch fabrics are used when holding strength is not needed. They allow for freedom of movement and give a smooth, comfortable fit.

Any garment made of stretch fabric should feel comfortable and never feel or look strained or too tight, Miss Siemen said.

Voyageur Trails Urged For U.P.

Highways which follow routes once traveled by early explorers in the Upper Peninsula are to be incorporated in 650 miles of scenic "Voyageur Trails," if plans proposed by the Upper Michigan Tourist Association and other state regional travel promotion agencies materialize.

The project first was outlined five years ago, and since then the tourist associations and the Northern Great Lakes Area Council have been working to tie it in with other promotional projects planned by Michigan, Minnesota, Wisconsin and the Canadian province of Ontario. Those four governmental units make up NORGLAC.

Upper Michigan would have a large segment of the proposed "Voyageur Trails" which would run along the shores of Lakes Michigan, Superior and Huron in the U.P. and northern part of the Lower Peninsula. Possible trails outlined by the tourist promoters include 187 miles from Sault Ste. Marie to Munising; 83 miles from Marquette to L'Anse; 96 miles on the east shore of the Keweenaw Peninsula; 49 miles from Houghton to Ontonagon; 65 miles around the Garden Peninsula and 38 miles west of Gulliver to Naubinway.

Part of the "Voyageur" routes already have been constructed, including a 40-mile stretch from Munising to Marquette.

Cooperation of the Michigan Highway Department and Michigan Department and Michigan Tourist Council is being sought in the program. The two agencies could help promote travel on existing roads by signs designating them as "Voyageur Trails" and also by seeking to have other scenic highway projects incorporated into the national scenic roads and parkways plan being studied by the U.S. Bureau of Public Roads.

"The Northern Great Lakes Area Council, of which our state is a member, already is planning a national advertising campaign for these 'Voyageur Trails,'" said Ken Dorman, UMTA manager.

Basketball Star Stabbed At Game

CHELSEA (AP) — Police are searching for the person who stabbed Dexter High School basketball star Ronnie Mull Saturday night.

Mull led Dexter to a 67-65 Class B tournament victory here over Willow Run. After the game, the crowd rushed out on the floor to the teams. Mull came out of it with a two-inch gash in his leg. He required three stitches.

Compared with the earth, the planet Saturn is only one-eighth as dense.

EISENHOWER AND Stevenson are in politics again, but this time as a couple of freshmen. Earl D. Eisenhower (left) is a brother of the former president and Adlai E. Stevenson, III, is a son of the unsuccessful presidential aspirant. In the background is the Illinois state capitol, where the two men are starting their first terms as state legislators. (AP Wirephoto)

Find A Hobby, Busy Mom Told

By HAL BOYLE

NEW YORK (AP) — Remarks that middle-aged wives get tired of hearing:

"If you're so bored, why don't you get a job?"

"Once a woman has her children raised, she's really at loose ends, isn't she?"

Voice on television: "Do you sometimes feel head-achy, rundown, tired?"

"Why don't you take up some interesting hobby — such as needlepoint or collecting pewter ashtrays?"

"Jim and I would love to have you and Dad to the party, Mother, but it's for a younger crowd. You wouldn't even speak the same language."

"Hi, Momsy! This is an emergency. I can't get a baby sitter and I simply can't miss my appointment at the beauty parlor. It's been ages since I've had my hair done. Would you mind coming over and taking care of your lovely grandchild this afternoon?"

"Well, how did you spend your day, Ella, cackling with a bunch of old hens over the bridge table as usual?"

"The gray hardly shows at all, dear, except at the roots."

"Good lord, Ella, what in heaven's name have you done to your hair? When I told you to go ahead and have it tinted red if it would make you feel better, I didn't think it would turn out this color. You look like a forest fire."

"I'm afraid these dresses are a bit too — uh — too youthful for madam. Perhaps you'd find something more suitable in our department for mature matrons."

"For Pete's sake, Ella, be reasonable. No husband I know plays golf with his wife. You know I've been playing on Saturdays with the same foursome for years. If you want to learn the game, get the pro to teach you."

"Hi Momsy! This is an emergency. We're having Jim's boss and his wife to dinner tonight and I want to serve lobster casserole. Can you rush right over and show me how to make it? By the way, could you stop at the fish store and pick up the lobsters?"

The British government plans to set aside an acre of the historic meadow at Runnymede, on the Thames, for a memorial to the late President John F. Kennedy. A simple block monument will stand on the green field where the Magna Carta was promulgated in 1215.

Peninsula Potpourri

MARQUETTE — The third annual Upper Peninsula snowmobile rally will be held Sunday at the Marquette Golf and Country Club. Races will begin at 1 p. m. Admission is free. Last year, after a modest beginning two years ago, the rally drew 42 entrants and 1,500 spectators.

★ ★ ★

ISHPEMING — Frank Gerstenecker, assistant city manager of Oshkosh, Wis., has been unanimously appointed city manager of Ishpeming by the City Council. Gerstenecker will assume his new duties in the $9,500 a year position March 22.

★ ★ ★

MUNISING—Development of a major winter ski recreation area has been proposed by William Tidd, Richard W. Nebel and Mike Bouth. Tidd said cost for a ski area "without frills" but equipped as skiers expect to find such areas today would be about $387,000.

★ ★ ★

IRON RIVER—The Iron River city commission had approved a 10-cent hourly wage increase for employes and a $300 annual increase for the city manager. Mrs. Mary Johnson, city purchasing agent who formerly had worked on a part-time basis, was granted a 25-cent per hour increase.

★ ★ ★

MENOMINEE — An $80,880 program for purchase of equipment for a vocational education plan in Menominee schools has been approved by the Michigan Dept. of Public Instruction. On a matching basis, Menominee will contribute $40,440 to the program.

★ ★ ★

RUDYARD — An Industrial Development Commission to aid new industries interested in locating in the Rudyard area is being formed here with William Hehman as president. The group is being incorporated as a non-profit organization and has an initial goal of raising $10,000 to invest in future expansion of Rudyard.

Louisiana Vote Test Wiped Out

WASHINGTON (AP)—The Supreme Court struck down Monday a Louisiana requirement that applicants for registration as voters give a reasonable interpretation of the constitution of the state or of the United States.

Justice Hugo L. Black delivered the unanimous decision.

Louisiana appealed to the Supreme Court after a three-judge U.S. District Court in Baton Rouge ruled the requirement violated the federal Constitution. The District Court voted 2-1.

Louisiana's appeal emphasized that "It is fundamental that the right remains with the states to decide and declare the requirements for voter registration."

In reply, the Justice Department contended racial discrimination "resulted from the inherent versatility of the test, which condoned gross disparities, along color lines, in the mode of administration, the selection of examination tests, and the grading of responses."

Black said there could be no doubt, from the evidence in the case, that the Baton Rouge court was "amply justified in finding that Louisiana's interpretation test, as written and as applied, was part of a successful plan to deprive Louisiana Negroes of their right to vote."

More Motorists Appeal To Get Licenses Back

LANSING (AP) — More and more Michigan drivers are using their right of appeal on driver's license restrictions, reports Secretary of State James Hare.

Hare said 1,159 appeals were heard by license appeal boards during the first two months of the year. This compared with 947 appeals during the same period last year.

Hare said he believes the increase is a reflection of tougher action on traffic offenders through a cooperative effort of law enforcement officials and the driver improvement section of the Department of State.

February appeals alone were up nearly 100 per cent from last year, Hare said. In the February appeals, he said, 51 drivers had their licenses restored, 60 others had licenses restored with some driving restrictions and in 46 other cases suspensions or revocations were modified by the appeal boards.

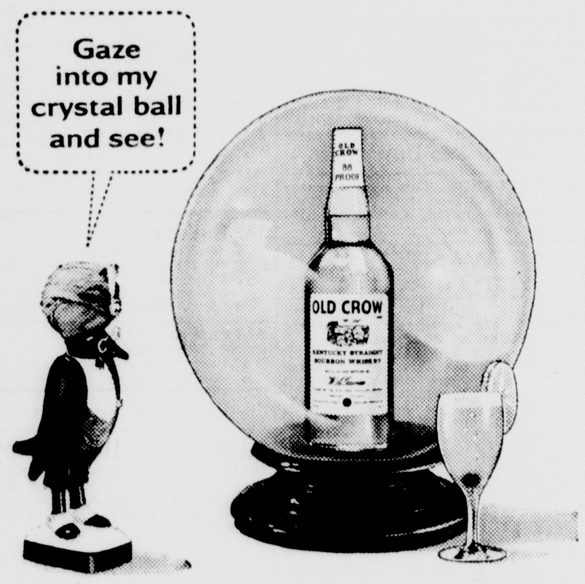

Petoskey Fireman Dies At Wheel On Way To Fire

PETOSKEY (AP)—Volunteer fireman Norman Schamalzried, about 63, of Petoskey, collapsed and died of an apparent heart attack Monday while driving a pumper truck to a house blaze.

The truck, out of control, clipped off a telephone pole and hit five cars parked for display in a car lot. Schmalzried's fellow fireman on the truck, John Wooden, escaped injury. Schmalzried was a maintenance supervisor for the Emmet County Road Commission.

Other firemen already had reached the blaze. The fire swept an unoccupied house.

Buick LeSabre with Wildcat power.
Its quiet voice delivers a most persuasive message.

LeSabre's policy is "speak softly, but carry a big engine". A 210-hp Wildcat V-8, to be precise. (You can order a 250-hp Wildcat, too, if you'd like to be even more forceful.) LeSabre's ride is soft-spoken, too, in keeping with the Buick tradition. No road chatter gets through to bother you. To drive a LeSabre, to ride in it, to look at its styling, you might find it hard to believe that this is the lowest-priced of the full sized Buicks. But your Buick dealer can convince you. Ask him.

WARDS NATIONAL HARDWARE SALE

a feature of BARGAIN CARNIVAL SALE

DA* MEANS "DEMAND AUGMENTATION"

A new concept in heating—"senses" your needs. The more hot water you use, the harder the cast iron burners go to work to restore heat to the tank. The flame stays low during normal demand, shuts off when water's hot. Totally automatic, whisper quiet.

15-YEAR GUARANTEE

You get a new heater free if tank fails due to defective materials or workmanship during first 7½ years. You get new heater at 50% of current price if heater fails in last half of 8th year. Last 7 years pay 50% plus 5% for each succeeding year. You pay installation charges only after first year.

NO MONEY DOWN

On any credit purchase, just say "Charge it".

ALL WARDS WANTS TO KNOW IS WHEN DO YOU WANT IT INSTALLED?

10 YEAR FULL GUARANTEE

You get a new heater FREE if tank fails due to defective materials or workmanship with-in 10 YEARS of purchase date. Installation is extra only after the first year.

SAVE $20

30-GALLON GAS OR 52-GALLON ELECTRIC WATER HEATERS

YOUR CHOICE $69

REGULAR 89.95

- Glass-lined tank cannot rust or corrode
- Fiber glass insulation "wraps in" heat—stays hot
- Automatic thermostat for exact temperature wanted

30-GALLON GAS WATER HEATER

Our best gas heater with DA*. The more hot water you use, the faster it's heated . . . up to 43.7 gals. per hour at 100° rise. This heater now features the new "Perm-a-pilot" which gives you total flame regulation of both burner and pilot. Factory preset and adjusted. **$69**

52-GALLON ELECTRIC HEATER

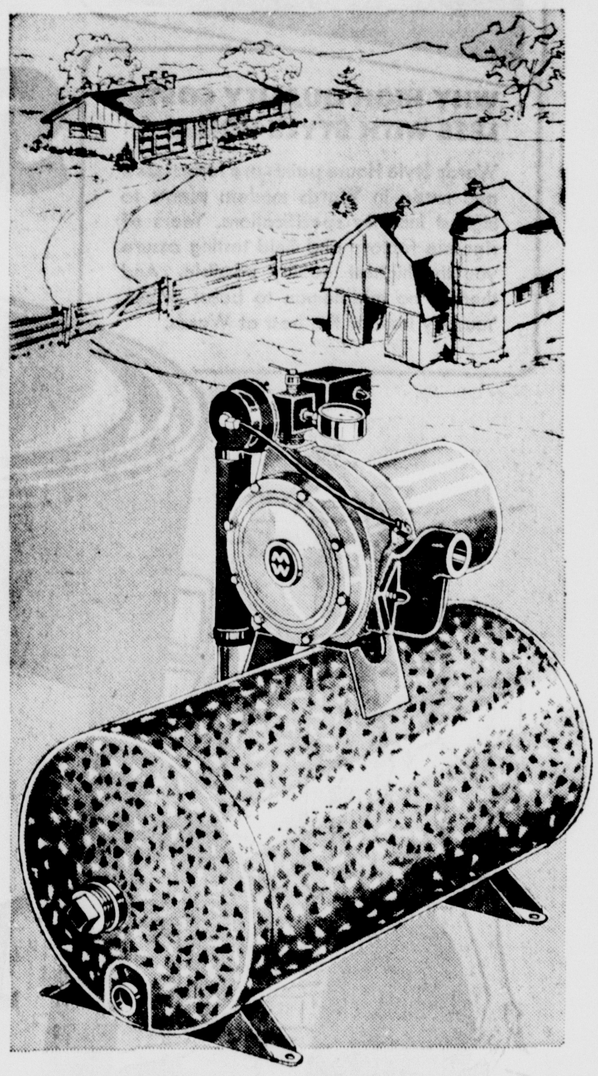

Wards finest electric water heater. Its new slim design saves space—install it anywhere, no vent or chimney required. Built-in energy cut-off will shut off power if temperature becomes unsafe. Your choice of standard or high-recovery twin, high-density heating elements. **$69**

40-GALLON GAS, REGULAR 99.95

Same quality features as gas heater above. Fills the demands of the larger family. **$79**

30-GALLON ELECTRIC, REG. 69.95

Will meet the needs of smaller families. Same as 52-gal. heater. Standard elements. **$54**

RIVERSIDE SUPER TREAD

GUARANTEED 15 MONTHS AGAINST TREAD WEAROUT

This retread is the economy tire with built in safety. Retreaded sidewall to sidewall with tough cold rubber for extra strength and dependability. You get the same Riverside service you would expect from higher priced tires.

DEPENDABLE QUALITY RIVERSIDE

GUARANTEED 15 MONTHS AGAINST TREAD WEAROUT

You save on Wards lowest priced highway tire! This good performance tire glides you through city and highway traffic. Road gripping tread gives you quick-grip traction for sure stopping and starting.

RIVERSIDE AIR CUSHION

GUARANTEED 18 MONTHS AGAINST TREAD WEAROUT

Fortified with *RIV-SYN*, Wards extra mileage producer, the Air Cushion assures outstanding performance. The tread is built for "plus" mileage, while the rugged 4-ply nylon cord body resists dangerous blowouts.
